BISWA SARMA ARE ALL IN BJP

Barabani (Paschim Bardhaman) 30.06.2023

- People have seen how much our government has worked for the people ignoring all the obstacles in its path. Hence, I will request them to cast their votes on July 8 in favour of the development
- I am taking responsibility for Barabani's development beginning today. I request the people to vote on the basis of what they see and not on the basis of what they hear
- During the Covid or Amphan crisis, no BJP or CPI(M) leader stood by the side of our people
- We have to take a pledge that the BJP-led Central government, which has stalled the rightful due of the state under various heads including 100 days of work, Awas Yojana funds, GST, should not get a single vote in the upcoming polls
- **Those who want to deprive Bengal should be shown through the power of vote that the people of Bengal do not bow down in front of outsiders from Delhi**
- BJP won the Paschim Bardhaman Lok Sabha seat during the 2019 elections. But later, the people chose AITC and handed us a victory with a historic margin of over 3 lakh votes. People had proved that Paschim Bardhaman is Trinamool's stronghold
- Where is BJP's Acche Din? Petrol used to cost Rs 50 per litre but has now increased to Rs 100 per litre. Kerosene worth Rs 15 has gone up to Rs 120. Edible mustard oil worth Rs 75 costs Rs 215. Cooking gas worth Rs 400 costs Rs 1200. Narendra Modi has increased the prices of medicines worth Rs 50 to Rs 1500 or more. People's money has been blocked
- On one hand, while Mamata Banerjee government is providing Rs 500 per month to women under the Lakshmir Bhandar scheme and Rs 1,000 to women belonging from SC/ST communities. On the other hand, Modi government is snatching Rs 1,000 in the name of linking Aadhaar-PAN card. On one hand, Mamata Banerjee is helping the people and on the other hand, Narendra Modi is taking money from people
- People have to decide whom to support – the one who is helping or the one who is looting. People have to decide whether they will support development or tyranny
- In the coming days, we will launch a massive movement in the heart of Delhi to get our rightful due. They have blocked Rs 7,500 crore under 100 days of work only for Bengal and no other state across the country. This is nothing but political vendetta against the people of Bengal, who rejected the BJP
- **During Nabo Jowar activities, I had said that the people will decide on the candidates for the Zilla Parishad, Panchayat Samiti and Gram Panchayat elections.**

We have fulfilled that. All candidates are based on people's choices. No other party was able to do this

- **It is the responsibility of the public to ensure victory for Trinamool candidates as the people had chosen their own contenders. Now, they must ensure victory for their own choice**
- Narendra Modi government has tried enough to stop us using ED-CBI but we never bowed our heads to them. **Those who haven't received the funds for Awas Yojana or 100 Days of Work should know that as soon as panchayat polls are over, we shall head to Delhi along with 10 lakh people to fight for our rights within 1-1.5 months**
- It will be my responsibility to organise the movement and take everyone to Delhi. All we need is people's support and commitment to hit the ground for people's rights. If required, **I will sit in front of the Krishi Bhavan for an indefinite amount of time. We won't leave Delhi until our dues are released by the Centre. People will show who has the power**
- Bengal BJP leaders were elected on the basis of people's votes but they are now going to Delhi asking the Central government to halt the funds of the poor
- Two days ago, Prime Minister spoke of corruption and said that he is the guarantor against corruption. The PM said he is taking action against those who are corrupt
- **The biggest thief of Paschim Bardhaman is Jitendra Tiwari, who is a BJP leader. Yet, the PM talks about taking action against corruption**
- **Those who were seen taking money on camera are the senior BJP leaders. Sudipto Sen wrote letters against Himanta Biswa Sharma and Suvendu Adhikari, who are the senior BJP leaders now. One is a Chief Minister and the other is Bengal's Leader of Opposition. Yet, the PM talks about being the guarantor**
- If they provide such a guarantee before coming to power, what will they do once elected? Their double-engine government means double the theft and loot through ED-CBI and state police
- The real double-engine government is that of Mamata Banerjee. Without any help from Centre, she has provided Lakshmir Bhandar to over 2 crore women by spending Rs 37,000 crores
- BJP always acts like an ulcer and cancer here. Hence, they have to be removed. During the Covid phase, the positivity rate had hit around 24-30 per cent. People were dying. Yet, the elections were done in eight phases, just to give the advantage to BJP
- The elections were done in a single phase in other states such as Tamil Nadu, Kerala, and Assam. But the people of Bengal were pushed towards death and the election was done in eight phases here. **People shall give a befitting reply to these eight phases on July 8 democratically**
- This is just a trailer in Barabani and the full picture will be shown in Delhi
