PM Modi Is Only The Guarantor of Corruption & Lies: Trinamool

“WHILE UTTAR PRADESH HAD THE HIGHEST NUMBER OF FAKE JOB CARDS, IT WAS NEVER DEPRIVED OF WAGES BECAUSE IT HAS A BJP GOVERNMENT. IN BENGAL, THE BENEFICIARIES, WHO WERE DEPRIVED FOR 2 YEARS, ARE GETTING THAT MONEY FROM MAMATA BANERJEE”

Kolkata & New Delhi, 02.03.2024

Puncturing holes into BJP's lies, the All India Trinamool Congress leaders on Saturday highlighted how Prime Minister Narendra Modi is the Guarantor of Corruption and deceit as was demonstrated by his hollow statements at Hooghly and Nadia districts of Bengal.

On its official X handle, Trinamool Congress shared a video of Leader of Opposition Suwendu Adhikari taking bribes on camera without any shame. “This is PM @narendramodi Ki Guarantee: **Bhrashtachariyon ka Saath, Desh ka Sarvanash,**” AITC wrote on X.

Slamming Prime Minister Narendra Modi for his *jumlas* on **Nari Shakti, Rajya Sabha MP-elect Sagarika Ghosh said, “During the 2019 Lok Sabha elections, Trinamool gave 40% of the tickets to women. Out of 42 constituencies, 17 candidates were women. What is your track record? In the Assembly polls of 2023, you gave less than 12% of tickets to women.** While women in Sandeshkhali protested against issues on land and assault, a vast majority said they would vote for Trinamool Congress and Mamata Banerjee. This is because Mamata Banerjee is on the ground with them 24x7. She is not a migratory bird who comes during elections.”

While Trinamool Congress had requested the PM to address two significant questions, one of which was on BJP's relationship with corruption, he conveniently sidestepped all important issues while maintaining his false tirade against the Trinamool government. On Saturday, the PM misled the public on claims of fake job cards.

Fact-checking the Prime Minister, **AITC National Spokesperson Dr Shashi Panja said, “PM deprived 59 lakh beneficiaries of Bengal from MGNREGA wages and that is the truth. West Bengal CM Mamata Banerjee is paying this amount while the PM has deprived them. While Uttar Pradesh had the highest number of fake job cards, it was never deprived of wages because it has a BJP Government.** In Bengal, the beneficiaries, who were deprived for 2 years, are getting the money from Mamata Banerjee.”
