TRAILER; Tears Into BJP's Jumla Of Modi Ki Guarantee!

'PEOPLE BELIEVE IN DIDI KI GUARANTEE'

“PEOPLE OF BENGAL WILL SUPPORT THE ONE WHO GIVES THE RATION INSTEAD OF THE ONES WHO ONLY GIVE BHAASHON...**MODI KI GUARANTEE IS ZERO WARRANTY**”

“EARLIER, JUDGES USED TO PUNISH CRIMINALS AND SEND THEM TO JAIL BUT IN MODIJI'S NEW INDIA, THE CROOKS AND THIEVES FELICITATE THE JUDGES AND WELCOME THEM INTO THE BJP”

Kolkata, 10.03.2024

- We gave the call for a public meeting on Brigade Parade Ground on February 25. Today's historic event was organised in less than two weeks. This goes against the general practice as other political parties organising a public meeting at Brigade prepare six months in advance. We have set an unprecedented record by organising Brigade in only 12 days
- Instead of being with their family on a holiday, people have gathered here to fight for Bengal and ensure the Bisorjon Yatra of Bohiragotos and Bangla Birodhis. I thank them and salute them for their dedication
- People were saying a lot of things such as Trinamool would be wiped out as there has been an exodus of leaders from the party. Bohiragotos of the BJP have given many speeches in the past 15-20 days. BJP may have money, the Election Commission, some sections of the judiciary, media, ED, and CBI but Trinamool Congress has the support of the people. Let there be a competition between the two forces and everything will be clear
- **The *jonogorjon* present at the Brigade today proves that the upcoming decision will be to bid farewell to the *Jomindars, Bohiragotos, and the oppressive forces***
- Today's event is not an AITC meeting but a *jonogorjon* of the poor. Around 59 lakh workers, who worked under MGNREGA, did not receive their wages for two years because the BJP decided to stop the Central funds. It was the Mamata Banerjee government that cleared their dues. This is their Brigade
- This Brigade is for the 11.36 lakh eligible families who have not received a roof over their heads under Awas Yojana because the BJP decided to block funds after losing

elections in Bengal. This Brigade belongs to all who are fighting against these oppressive forces. This Brigade will ensure BJP's Bisorjon

- We have always kept our word. During Trinamoole Nabo Jowar and Panchayat Polls, we urged people to vote on the basis of their rights. We had promised that if people voted on the basis of their rights, we would make arrangements to make sure they receive their pending wages within six months. And we ensured the same. **Today we announce our upcoming programme: *Jonogoner Gorjon, Bangla Birodhider Bisorjon***
- **Everyone here must engage in *Jonogorjon* loud enough to send shivers down the spines of those in Delhi and cause a political earthquake**
- Those who vandalise the statue of Ishwar Chandra Vidyasagar are they not Bangla Birodhi? Those who insult Swami Vivekananda and Rabindranath Tagore, are they not Bangla Birodhi? Those who block Bengal's funds and malign Bengal, are they not Bangla Birodhi?
- **There are 28 states and multiple 8 Union Territories, yet they have only stopped Bengal's funds. Is BJP not Bangla Birodhi?** Those who refer to our Bengali brothers as Bangladesh, Sikh brothers as Khalistani, and minority brothers as Pakistani, are they not Bangla Birodhi?
- The more BJP leaders have opposed Bengal, the more rewards they have reaped. **Those who abuse Bengal are awarded positions such as Leader of Opposition or nominated as MPs. The artist who abused Bengal's women was given a ticket by the BJP to contest elections from Asansol. Later, he had to bow down to the people of Bengal and withdraw his name. This is the power of the people of Bengal**
- Votes are not given by ED and CBI but by the people. Delhi's *Bohiragotos* comes here and talk about Modi Ki Guarantee. **But Modi's Guarantee has ZERO WARRANTY. Thieves are going to the BJP instead of going to Jail. This is Modi's Guarantee.** During the 2014 campaign, he claimed to ensure Rs 15 lakh in every bank account. Did anyone get that money?
- On the other hand, we have a woman who lives in a modest house, wears *hawai chappal*, after being a CM for 12 years, and continues to work for the development of the 10 crore people
- Didi has fulfilled all her promises on Lakshmir Bhandar, Swasthya Sathi, Kanyasree, Khadya Sathi, Pathashree, Yuvasree, Jai Johar Pension, and Manobik Pension
- **Whose guarantee does Bengal want? Modi or Didi? Who will you choose, Bengal's Bhoomi Putro or Bohiragoto?**
- Those who don't understand our language, how can they understand our hearts? When BJP leaders come to the state to give speeches, do they even understand what is written behind them on the stage? Those who cannot speak, write, or read Bengali, or label Bengal as Bangladeshi, how can Bengal take guarantee from them?
- Between May 2021 (when Bengal Assembly elections results were declared) and February 29, how many times did PM Modi come to Bengal? He went everywhere but did not come to Bengal because Bengal did not bow down to the BJP
- **If there was no Netaji, the country would not have a leader who dared to defeat the British with his Azad Hind Fauj. If there was no Raja Rammohan Roy, the**

practice of sati would not have been abolished. If there was no Ishwar Chandra Vidyasagar, people would not have learned to read and write. If Mamata Banerjee was not there, CPI(M) and Maoists would have continued to oppress the poor and marginalised in Jangal Mahal

- In 2019, BJP goons vandalised the statue of Ishwar Chandra Vidyasagar just before the elections. Did the BJP leaders apologise for vandalising the statue of Vidyasagar?
- Did the PM apologise when his leader called our Sikh brother Khalistani? PM talks about corruption but sits beside the most corrupt leader. This is Modi's Guarantee
- **Earlier, the judges used to punish criminals and send them to jail but in Modi's New India, the crooks and thieves felicitate the judges and welcome them into the BJP**
- People of Bengal will support the one who gives the ration instead of the ones who only give *bhaashon*. Hon'ble Prime Minister said during his public rallies that he had given Rs 42,000 crore in the past 3 years under Awas Yojana. On 14 December, 2022, Government of West Bengal sent a letter to the Centre. If the Modi government can prove that they have given even one paisa in the past three years under Awas Yojana, I will leave politics never to return
- **I will urge PM - whenever he comes to Bengal next - he must publish a white paper on how much money he has given to Bengal over the past 3 years under MGNREGA and Awas Yojana.** If he is not able to do that, he must send any BJP leader or Central government official to Kolkata. I am ready to debate this on any channel with anyone. But they wouldn't dare to do this because they are lying. Would the people take guarantee from liars?
- On one hand, they cancel Aadhaar cards and on the other, they take Rs 1,000 for Aadhaar Pan linkage. But Mamata Banerjee government is giving Rs 1,000 per month to the women of our state. People have to decide where they stand
- Friends in BJP, be prepared for the upcoming days. *Khela Hobe!* We just showed a trailer on *jonogorjon* today, the cinema will be shown by the people of Bengal during elections
