### MODI KI GUARANTEE: Shelter Rapists & Corrupt In BJP

*Kolkata:* During a BJP-sponsored event in West Bengal's Barasat constituency, Prime Minister Narendra Modi on Wednesday waxed eloquence about "Modi Ki Guarantee" in an attempt to hoodwink the people of Bengal, especially the women. Given below is a fact-check on what really is Modi Ki Guarantee.

- 1. Claim:** *BJP government brought in a law to ensure the death penalty for rapists*  
**Reality:** BJP-led Gujarat Government allowed early release of jailed rapists of Bilkis Bano and garlanded the convicts upon their release
- 2. Claim:** *BJP government has ensured women's safety*  
**Reality:** BJP IT Cell Chief and West Bengal Co-in charge Amit Malviya hired rapists for his IT Cell who were involved in the gangrape of IIT-BHU victim in PM's home constituency
- 3. Claim:** *PM Modi stands by the women of the country and works for their welfare*  
**Reality:** Wrestlers Sakshi Malik and Vinesh Phogat were dragged on the streets of the national capital New Delhi, barely a few kilometres away from the PM's residence, for demanding punishment of BJP MP Brijbhushan Sharan Singh for assaulting our female athletes
- 4. Claim:** *PM will uproot corruption from the country*  
**Reality:** Narendra Modi and his band of central ministers have no problem endorsing or promoting bribe-takers and corrupt leaders such as Suwendu Adhikari and Himanta Biswa Sarma, whom BJP leaders once called corrupt politicians. Once you join their camp, Washing Machine BJP will absolve criminals of all their sins
- 5. Claim:** *In the past decade, BJP has worked for Viksit Bengal & Viksit Bharat with full honesty*  
**Reality:** After facing a humiliating defeat in the 2021 Assembly elections, BJP has stopped releasing central funds amounting to Rs 1.60 lakh crore impacting lakhs of residents in Bengal. Bengal is the only state in the entire country that did not get any MGNREGA allocation for the year 2023-2024. However, in the past five financial years, they have taken Rs 4.65 lakh crore from Bengal in the name of taxes

**6. Claim: *PM is committed to Nari Samman and has devoted his life to serving women***

**Reality:** BJP fields misogynist and anti-women Pawan Singh, known for insulting Bengali women through his music, as the Asansol Lok Sabha candidate

**7. Claim: *PM says he respects Bengal, the land that gave the country its women icons such as Maa Sharada Devi***

**Reality:** BJP posts obscene caricatures of Maa Sarada Devi on the internet and refuses to take them down even when criticised for the same. The party's state unit repeatedly insults the religious and cultural sentiments of the people of Bengal. From breaking the bust of Ishwar Chandra Vidyasagar to failing to give Netaji Subhas Chandra Bose his due, the BJP has routinely displayed its anti-Bengal inclination

**8. Claim: *Under PM Awas Yojana, more than 24 lakh houses in Bengal are registered under the name of women***

**Reality:** The Modi government has stopped over Rs 8,000 crore earmarked for the houses of lakhs of people in Bengal. More than 11.36 lakh people – including women – have not been given houses because they refused to vote for the BJP in the 2021 Assembly elections

**9. Claim: *PM gave guarantee for women's reservation in Parliament and it has been fulfilled***

**Reality:** Trumpet blowers of Nari Shakti fielded only 3 women candidates in the first list for Bengal announced last this week. Even the national picture is abysmal with women candidates in only 28 constituencies out of 195. In the 2019 Lok Sabha poll, the BJP gave tickets to only 13% of women. Whereas, Trinamool Congress gave tickets to almost 38% of women - much higher than the 33% reservation

**10. Claim: *BJP wants to resolve all issues faced by women***

**Reality:** While Bengal has seen three visits in the past six days of this month by the PM, the women of Manipur still await a visit from Narendra Modi after witnessing ethnic violence for the past 10 months
