Victory on the Horizon: Amid A Flurry of Internal Review Meetings, Abhishek Banerjee Upbeat About Party's Prospects In Upcoming Polls

Malda, 05.04.2024

- Two Assembly Constituencies of Murshidabad and Burwan, and representatives from Farakka and Samsanganj were also present here
- We had a review meeting as the polls are near and polling in Maldaha Uttar and Dakshin will be held in the third phase
- All party stakeholders were present for this meeting including the Election committee members, party candidates, MLAs, Block Presidents, Panchayat Samiti Sabhapati, and Zilla Parishad members
- **We were not able to call everyone at the Gram Panchayat level. I will speak to the Gram Panchayat Pradhans through a virtual conference tomorrow**
- Last time, BJP won in the Maldaha Uttar Lok Sabha seat and Congress's Abu Hasem Khan Chowdhury won in the Maldaha Dakshin Lok Sabha seat
- Based on the 2021 Assembly elections results in Malda and Murshidabad districts, we can confidently say that the people blessed AITC candidates here. Our leader became the CM for the third time. Malda and Murshidabad's contribution in this regard has been exceptional
- During the course of our meeting, we held discussions on various matters. We spoke about the organisational scope of improvement at the block level so that the development continues without any obstructions and we continue receiving the support of the people
- We are absolutely confident and hopeful. We trust the people and we think that AITC will secure victory in both the seats of Maldaha Uttar and Dakshin
