Respected Sir,

**Sub : On - going violence and a fresh and gruesome murder of
Trinamool Congress worker at Khandagram in Birbhum district**

In continuation to my yesterday's letter dated February 27, 2010 highlighting the barbaric on-going violent incidents and attacks by CPI[M] backed armed goons, today, I am once again constrained to bring to your kind self about the gruesome murder of a popular Trinamool Congress worker namely Shri Fir Firoz Hussain [45 years] was attacked and murdered by CPI[M] armed goons in a planned manner in a field. Shri Hussain was taken to Burdwan Medical College in a profusely bleeding condition and he succumbed to his injuries soon after admission in the hospital. Following the gruesome murder by CPI[M] backed goons, the tension has engulfed the entire area and residents of the areas are in a state of deep shock.

It is reported that before his murder, Shri Hussain was falsely implicated in a criminal case which is far from the truth and it was a well planned conspiracy hatched by CPI[M] to prove that he had a criminal background.

Further, on our continuous agitation and protest the police raided the safe sanctuaries of CPI[M] HAMARD VAHINI and recovered the deadly materials used for preparation of bombs and other missiles from the said houses.

Sir, blood bath and state sponsored red terrorism continue unabated and the Opposition TRINAMOOL CONGRESS supporters / workers and leaders are being targeted selectively by the Marxist cadres with the active help of its HAMARD VAHINI and the situation is getting fully out control day by day and the entire state is fully disturbed.

Sir, we have deep faith in you for assessing the present situation prevailing in the state and we request your kind self that by informing the State Government for taking the appropriate measures will not serve any purpose as they are very much prone to violence.

As such, we once again request your kind self to apprise the Central Government for their immediate intervention in view of the total break down of the constitutional machinery as well as prevailing anarchy thereby posing a threat to democracy and lives of the people.

With kind regards,

Yours sincerely,

We have also been voicing our deep and serious concern about the storage of illegal sophisticated arms by CPI[M] hoodlums in their safe havens and sanctuaries and it is reported that those arms are being constantly used by Marxist cadres against the Opposition workers / supporters and leaders by them. We once again request your kind – self for directing the State Government for the immediate seizure of the illegal arms.

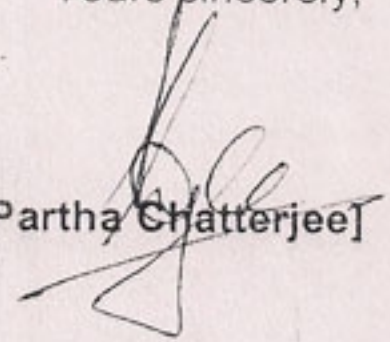

The entire state is in complete anarchy and turmoil. The Constitutional Machinery has totally broken down in the state.

In view of the above circumstances, I once again earnestly request you to kindly advise to take appropriate measures for bringing normalcy and tranquility in the state for more *especially for saving democracy.*

**Sub: Gross Irregularities in the West Bengal Post graduate
(MD/MS/Diploma) Medical Admission Test, 2010.**

Respected Sir,

Kindly refer to our representation on the above subject and also refer to my letter dated 16th February, 2010.

I'd briefly state an account of facts below to clarify the matter:

- 24th January, 2010: The Entrance test (WBPGMAT) was held at various centers of Kolkata.
- Ambiguities in the Question paper:
 - **Negative marking**: There was no instruction to the candidates of the said examination relating to any negative marking for the answers. In an Objective type Multiple Choice Questions (MCQ) based examination, it is customary to declare the proportion clearly in the question paper. The downloaded form, admit-card and even the question booklet itself, provided at the Examination hall, had no written instruction about that. Even it was not mentioned that whether there is Negative marking or not.

In this context, I'd like to mention that similar such examinations of different universities and institutes throughout India have different grades of negative marking policy regarding the wrong answers. For e.g. in AIIMS Post graduate medical entrance and Union Public service commission Combined Medical Services examination there are 1/3rd negative marking

LEADER OF THE OPPOSITION

Date

for each wrong answers in contrast to the positive markings awarded for each correct answers; PLAB entrance conducted in India for MRCP/FRCS degree from England contains ZERO negative marking, so that the examinee can attempt all the questions at free will; while the All India MD/MS entrance conducted by the Deptt of Health & Family Welfare, Govt. of India has 1/4th negative marking for each wrong answers; Post Graduate admission test of another premium Institute PGI Chandigarh has multiple correct or multiple wrong answer type MCQs. Consequently in these examinations the examinee has to adopt an entirely different policy for answering or leaving the questions. So, no instruction relating the matter at the examination hall has created an immense confusion among the examinees.

- **Significant amount of mistakes and wrong questions:** There were plenty of mistakes, in the said question paper, some of which were even distorting the meaning and essence of the questions to a complete irrelevance. This phenomenon is in contravention to the basic principle of this kind of highly competitive examination, where a large number of examinees (often 15-20, as evidenced in the merit list published by WBUHS) score same marks and get different ranks based on other criteria. Such gross mistakes in the question paper in a quiet considerable number of question items make this examination a poor instrument for selection of the best lot of eligible doctors strictly on the basis of merit, to serve the people of the nation as post graduate physicians. Thus, this examination lacks three important criteria for any examination viz. validity, objectivity and reliability.

All these problems have been duly informed to the university by a senior Professor of R.G. Kar Medical college, Dr Arnab Sengupta, in his letter dated 27 January, 2010, addressed to the Controller of Examination of WBUHS, well before publication of the results, on which, no tangible action was taken.

- 13th February, 2010: The result of the said examination was published and aroused a lot of controversies across the state, as revealed by all leading print

Date

media, which was even confirmed by the Vice Chancellor of WBUHS and the Minister in charge, Dept. of Health and Family Welfare, Govt. of West Bengal. The university is so indifferent and reluctant in this matter that it didn't even bother to take care of the evaluation system properly, and missed out a whole bunch of answer sheets of the examinees performing with the question set "D" from evaluation. So, a merit list was published without evaluating the answer sheets of 1/5th of the examinees, which sum up to a significant number of around 1500.

- 14th February, 2010: When caught in the wrong foot by the media, affected examinees and the public at large, the WBUHS authority quickly arranged for a hush up by publishing a second merit list within just 3.5 hrs of withholding the first list. This complicated the matters even more, and cooked up great discontent as many deserving meritorious students with good career records have been placed surprisingly at a quiet lower rank than some students alleged to be loyal and close to the ruling party of West Bengal.
- 15th February, 2010: Students, Teachers and Doctors from various corners of the state protested against this heinous attitude of the University. Students met the Vice Chancellor and submitted complaints and Deputation, in which the main demand was to set up a neutral third party Enquiry Committee and take appropriate penal action against the miscreants. Vice Chancellor himself admitted to the delegation team that:
 - a) There was a gross mistake in conduction of the examination.
 - b) There were many wrong questions in the paper.
 - c) Previous years' examinations also lacked transparency.
 - d) That an enquiry committee will be formed and all answer sheets shall be re-evaluated.
- 15th February, 2010, afternoon: Vice Chancellor published a notification No. OG/UHS / 193/ 2010 Dated, 15/02/2010, in which he declared of forming an enquiry committee comprising of 3 members, i.e. University's Dean, Registrar, and the Director of IPGME&R-SSKM hospital. The Director of IPGME&R-SSKM is a member of the academic council of the University and is a part and

parcel of the University authority as envisaged clearly from the West Bengal University of Health Sciences Act 2002. As all the members of the Enquiry committee (3 out of 3) are parts of the University authority and the Chairman and majority (2 out of 3) of the Enquiry committee are direct University employees, I strongly feel that the integrity and utility of this committee becomes futile. It will clearly appear to evolve as an instrument of hushing up the complaints of corruption and nepotism against the University raised by various sections of the public.

In the context of the above mentioned facts, I would like to state to your good self Sir, that, The West Bengal University of Health Sciences acted in total lack of responsibility with utter callousness and incompetence, with a definite political bias.

They remain Incompetent not only in conducting the examination in a valid, reliable and objective manner, but also exhibited their abundance of sheer ineptitude in declaring the result in two phases.

This is a great offence to the thousands of MBBS doctors aspiring for post graduate medical education that led to great hopelessness, grievance and frustration among them.

This is also a great offence to the people at large, where the University has failed in its duty to select the best lot of merits for prospective specialist doctors of the country.

In Fact, if one ponders over the provisions of The West Bengal University of Health Sciences Act 2002 and its implementation, one can see that the majority members of all University authority viz. the General, Executive, academic Council etc. of the University are comprised of Government officials and nominated members, by which in the name of administration of Health Education, execution of political tyrannies are practicable by the ruling party as

apprehended by the landmark judgment of the hon'ble Supreme court held in the TMA Pai Foundation Case specifically in connection of reduced university autonomy. There is no provision of a Graduate council, where the graduates from the university can form an elected body (as in Calcutta University and most other standard Universities) and participate in the administrative affairs.

Even the academic persons (basic teachers and Professors of affiliated academic institutes) who actually perform teaching at the required level and are expected to speak in favour of free unbiased pursuit of truth are absent from the composition of the University authorities. Therefore, in the executive, academic and general council of the university we cannot expect proper impartial academic decisions but can only expect some politically directed bureaucratic solutions, which can not administer academia in its real sense, and inevitably authorizes the political tyrannies of the state. This has definitely paved the path of regimentation of thought in the field of health education, and has led to this present state of affairs.

This is a great blow to the field of higher education in general and Medical Education in particular, and shall set an infamous example of callousness, corruption and nepotism in the entire nation, if not strongly condemned at an early opportunity.

I therefore demand on behalf of my organization, the Medical students and the people at large to-

- Quash the whole process of examination of WBPGMAT 2010 that has taken place till date.
- Conduct a proper examination maintaining the validity, reliability and objectivity to select the best lot of merits for the Post graduate degrees & diplomas.
- Take appropriate punitive measures and initiate appropriate legal action against the persons responsible after proper enquiry by a neutral Enquiry committee against the persons responsible for the scam.

Respected Sir,

**Sub : Fierce attack, torture and merciless killing of
a Trinamool Congress Worker at Patrasayar in Bankura**

In continuation to my earlier letters dated January 25, 27, 2010 and our Memorandum to your kind self on January 28, 2010 highlighting the on-going brutal atrocities and violence being perpetrated in a planned manner by CPI[M] with the active aid of its HAMARD VAHINI in West Bengal to terrorise the people as well as Trinamool Congress workers, today; I am further deeply shocked to inform you that armed goons backed by CPI[M] stormed into the office of Trinamool Congress in a village near Patrasayar in Bankura yesterday afternoon [January 29, 2010] and fiercely attacked our peaceful Trinamool Congress supporters with sophisticated firearms and rods. Our peace loving workers were gathering at the office of Trinamool Congress en route Bankura to attend a rally to be addressed by Shri Sisir Adhikari, Hon'ble Union Minister of State for Rural Development, Government of India. The press clippings are enclosed herewith for your kind information.

As a result of CPI[M]'s severe attack, grievously wounded five Trinamool Congress workers were taken to Bankura Sammiloni Medical College & Hospital where Shri Prabir Pal died soon after admission. Other four workers are receiving medical treatment and the condition of one of our activists, Shri Buddhadeb Pal is reported to be very critical when the last report came in.

Sir, the state has already descended into total anarchy and the state is in complete turmoil. CPI[M] is bent upon creating a reign of terror and disturbances in a determined way especially after suffering poll reverses in the last concluded 15th Lok Sabha Election and even they are not allowing peaceful participation / movement and making constant violent attempts desperately to finish mainly TRINAMOOL CONGRESS, the formidable OPPOSITION for raising the voice of dissent. The planned brutal annihilation of our peaceful and development oriented workers amply proves the well planned conspiracies of CPI[M]. Sir, in-fact the entire West Bengal is in the grip of unprecedented red-terrorism created by CPI[M].

The constitutional machinery in West Bengal has totally broken down. Even a single day is unimaginable without arson and violent incidents unleashed by CPI[M] with the help of its HAMARD VAHINI.

Owing to this, democracy is in peril in the state.

Sir, how long CPI[M]'s mayhem, brutal and merciless attacks on the people and our supporters will continue in West Bengal ?

Under the above circumstances, I once again earnestly request you to kindly take appropriate steps for bringing normalcy and tranquility in the state for the sake of common people and for saving democracy and also for unearthing the huge sophisticated arms stockpiled by the armed HAMARD VAHINI of CPI[M] and stored in their havens and sanctuaries which are constantly being used against the people and our workers.

Respected Sir,

Sub : Representation of Shri Mihir Banerjee
- Request for improvement in abysmal
functioning of West Bengal Medical Council

The undersigned feels privileged to enclose a copy of representation dated January 12, 2010 of Shri Mihir Banerjee, 18/3, S.C.Mukherjee Street, PO. Konnagar, Dist. Hooaghy which was originally addressed to his Excellency and a copy of the same has been marked to the undersigned.

In his representation, Shri Mihir Banerjee pathetically describes the abysmal functioning of the West Bengal Medical Council resulting in providing very poor medical services to the people of the state whereas the State Government is hardly interested in toning up the functioning of the Medical Council and watching the situation as a silent spectator. Even Shri Banerjee demands disbanding of the West Bengal Medical Council Board.

As such your exalted honour is requested to exercise your good offices for proper action, as deemed fit.

Respected Sir,

Sub : On - going violence and a fresh and gruesome
murder of Trinamool Congress workers at Bishnupur
and at Diamond Harbour in South 24 Parganas

In continuation to my earlier letter dated February 16, 2010 highlighting the barbaric on-going violent incidents and attacks by CPI[M] backed armed goons, today, I would like to bring to your kind notice with a heavy heart that one of our young Trinamool Congress workers namely S/Shri Niranjan Sardar and Aliuddin Molla were brutally attacked and killed by Marxist cadres with the active support of its HAMARD VAHINI today [February 18, 2010] at Bishnupur and Diamond Harbour respectively in South 24 Parganas. It is alleged that following the gruesome murder by CPI[M] backed goons, the tension has engulfed the entire areas and residents of the areas are in a state of deep shock [press clippings enclosed for your kind information.]

Shri Aliuddin Molla was killed in the presence of the I.C and police personnel of the local P.S. The police did not rescue him, rather remained passive on-looker allowing CPI[M]'s goons to kill Aliuddin.

Sir, there is no stoppage of blood bath in West Bengal and the Opposition TRINAMOOL CONGRESS supporters / workers and leaders are being targeted selectively by the Marxist cadres with the active help of its HAMARD VAHINI and a section of the state police resulting in their premature killing and making the widowhood of their young wives and their children orphaned. The administration remains a mute spectator to all the violent attacks being carried out on a regular basis by CPI[M] backed goons.

The barbarity of CPI[M] has reached at its nadir and the violent and shameful acts of CPI[M] Government are prelude to the imposition of constitutional action by the Central Government for saving the state from its further degradation and its innocent inhabitants.

In view of the above circumstances, I once again earnestly request you to kindly take appropriate measures for bringing normalcy and tranquility in the state for more especially for saving democracy.

Respected Sir,

Sub : Fresh murder of Trinamool Congress worker
at Bagnan in the district of Howrah in West Bengal and
exemplary punishment to Shri Tapasbrati Chakraborty, OC,

In continuation to my earlier letter dated February 14, 2010 highlighting the barbaric on-going violent incidents and attacks by CPI[M] backed armed goons, I would further like to bring to your kind notice that one of our most peace loving Trinamool Congress supporters namely Shri Dilip Manna was strangled to death by Marxist cadres with the active support of its HAMARD VAHINI on February 15, 2010. It is alleged that his death body was recovered from the site of a pond. As a result of his gruesome murder by CPI[M] backed goons, a complete blanket of fear has spread at the town and the family members of Shri Manna are in a state of deep shock [press clippings enclosed].

[2] The fatal incident at Jangipara in the district of Hooghly in West Bengal on February 14, 2010 killing our one the peace loving and development oriented Trinamool Congress supporters namely Shri Rabin Ghosh has ascertained that Shri Tapasbrati Chakraborty, OC of Jangipara PS [Hooghly] has killed Shri Ghosh by his service revolver in order to appease the violent Marxist cadres to gain his own mileage. People of the area are grieving over his murder and are clamouring in unison for the immediate exemplary punishment to OC by arresting him.

Sir, the current unimaginable violent incidents are the outcome of the recent inflammatory speeches of Shri Buddhadeb Bhattacharya, the Chief Minister of West Bengal at the mass meetings organized by his party CPI[M] at Canning [North 24 Parganas] and Coochbihar in North Bengal]. Further, he went on saying that 'ATTACK THE OPPOSITION WORKERS / LEADERS WITH ARMS FOR TAKING A REVENGE AND THOSE FOUND SUCCESSFUL IN THE HEINOUS MURDEROUS ATTACKS ON THE OPPOSITION WORKERS / LEADERS WILL BE GREETED WITH 'LAL SALAM'.

Legislative Assembly

LEADER OF THE OPPOSITION

CPI[M] goons with the active aid of its HAMARD VAHINI are also desperately engaging themselves in creating widespread violence in all the educational institutions of the state due to their constant college / school election reverses thereby eroding the sanctity of the institutions. The latest incident has been reported from Swarupnagar in the district of North 24 Parganas where SFI, the student wing of CPI[M] with the active support of its HAMARD VAHINI fiercely attacked peaceful Trinamool Chatra Parishad members over the college election. As a result of the attack, 20 TMCP members were badly injured [Press clipping enclosed].

The Opposition leaders and the innocent people of the state being targeted continuously by CPI[M] led Government for raising their voice of dissent.

The constitutional machinery in West Bengal has totally broken down and the present volatile situation in the state is constantly threatening the survival of democracy.

In view of the above circumstances, I once again earnestly request you to kindly take appropriate steps for bringing normalcy and tranquility in the state for the sake of common people and for saving democracy in the state.

Respected Sir,

**Sub : Gruesome and merciless killing of 24 Eastern
Frontier Rifles [EFR] jawans at Silda in West Bengal.**

We strongly condemn the killing of 24 jawans of EFR today [February 15, 2010] at Silda in the district of West Medinipur, West Bengal. We are deeply shocked and hurt and convey our deepest sympathy and condolences to the family members of the bereaved families.

We also pray in unison to the Almighty for the peace to the departed souls and also pray for the speedy recovery of the wounded jawans.

The incident clearly narrates the complete failure of the State Government in providing protection to the jawans deployed and posted at the trouble prone areas of Lalgah in the district of West Medinipur, WB. *The ERF personnel have been carrying at their duties on the instructions of the state police. We, wonder, how the miscreants managed to reach Silda without any resistance.*

The shameful incident also amply proves the failure of the Intelligence body of the State Government in providing the prior information and due to the abrupt failure which resulted heavy casualties at Silda in the district of West Medinipur [West Bengal].

The law and order of the state have totally broken down and the armed Marxist cadres are on rampage everywhere in the State with the active support of its HAMARD VAHIN. The entire state is in complete turmoil and it has already endangered the existence of the Constitutional Machinery in the State. The survival of democracy is being constantly threatened.

Under the above circumstances, the Central Government cannot remain a mute spectators over the shameless barbaric incidents at Silda. We, therefore, request you to kindly get the matter thoroughly investigated and the real culprits must be brought to book for bringing normalcy and tranquility in the state for the sake of common people and *for saving democracy in the state.*

We also-urge upon you for passing the orders for the immediate seizure of arms and ammunitions from the safe havens of CPI[M] HAMARD VAHINI, which are being constantly used against the peace loving Opposition workers and the people.

Looking forward for your kind intervention, please.

In continuation to my earlier letter dated February 06, 2010 highlighting the barbaric on-going violent incidents and attacks by CPI[M] backed armed goons, I would further like to bring to your kind notice that with the recent provocative statements that **'ATTACK THE OPPOSITION WORKERS / LEADERS WITH ARMS FOR TAKING A REVENGE AND THOSE FOUND SUCCESSFUL IN THE HEINOUS MURDEROUS ATTACKS OF THE OPPOSITION WORKERS / LEADERS WILL BE TREATED WITH 'LAL SALAM' made by Shri Buddhadeb Bhattacharya, the Chief Minister of West Bengal at the mass meetings organized by his party i.e CPI[M] at Canning [North 24 Parganas] and Coochbihar in North Bengal [Press clipping enclosed] which clearly depicts that he has invited CPI[M] armed cadres to take the law and order openly in their own hands.**

As a result of which today [February 14, 2010], important leaders of our party, **SK. Sona Chowdhury, Member, Panchyat & Ex-Prodahan were brutally killed and injured one TMC activist by CPI[M] backed armed goons at Basarpara, Nanur in the district of Birbhum**

In another glaring incident I am deeply hurt and shocked to inform your kind self that today [February 14, 2010], a peaceful school election was continuing at Prasadpur High School at Jangipara in the district of Hooghly in West Bengal and in anticipation of election reverses in the said school election, CPI[M] backed goons with the active aid of its HAMARD VAHINI fiercely attacked peace loving and development oriented Trinamool supporters and workers with bombs and sophisticated weapons. Further not satisfied with their modus operandi, they went berserk and instigated the police to attack the Trinamool workers and leaders. The police, on the other hand at the behest of CPI[M] hoodlums fired indiscriminately at our peaceful supporters and leaders. It is alleged that **Shri Rabin Ghosh was killed by the service revolver of the Officer In-charge of the local PS. Further the police and CPI[M] backed goons conspired to hush up the body of Shri Ghosh but the villagers prevented the police and CPI[M] cadres from taking the body of Shri Ghosh and the villagers took the profusely bleeding body to Wallace hospital, Srirampur where Shri Ghosh succumbed to his injuries. The First Information Report [FIR] was registered in the police station.**

LEADER OF THE OPPOSITION

Date

Another grievously wounded Trinamool Congress leader has also been admitted to the Wallace Hospital, Srirampur where he is fighting for his life.

The whole incidents are being telecast by the Electronic media continuously today. Following the cold blooded murder and widespread disturbances, a blanket of fear has engulfed the entire area and residents of the area are in the grip of severe shock.

It is alleged by the people of the state that the Chief Minister of West Bengal is the main perpetrator of all sorts of violence in the state and have been demanding **the arrest of Shri Buddhadeb Bhattacharya, the Chief Minister of West Bengal, who is found highly instrumental in creating total anarchy and intentionally instigating the armed CPI[M] HAMARD VAHINI to indulge in all sorts of undemocratic and obnoxious acts in a desperate attempt to create fear psychosis in the minds of people with a view to remaining in power. As a result there is a total of reign terror everywhere in West Bengal and peace loving Opposition supporters / leaders and innocent people are bearing the brunt of the situation silently.**

Sir, under the circumstances, the CPI[M] led Government have no moral rights to remain in power even a single day in the state. The Central Government cannot remain silent spectators on the deteriorating law and order situation in this state and constitutional break down and should be advised to take constitutional measures to ensure life and security of the people by asking the State Government to step down or otherwise.

Sir, our one simple question is how long CPI[M]'s mayhem and brutal and merciless attacks on the people and our supporters will continue in West Bengal ?

The constitutional machinery in West Bengal has totally broken down and the present volatile situation in the state is constantly threatening the survival of democracy.

Before sending this letter, it is reported that in another incident at Sashan [North 24 Parganas], after the election of Dhukudia Paltdanga High School, the result came in favour of Trinamool Congress; this angered the CPI[M] goons and they attacked our jubilant and peaceful candidates with arms and ammunitions for taking a revenge. They threw bombs, indiscriminately fired at TMC activists. The police on the spot merely watched the situation and even not bothered to arrest the CPI[M] goons who were carrying arms.

In view of the above circumstances, I once again fervently request you to kindly take appropriate steps for bringing normalcy and tranquility in the state for the sake of common people and for saving democracy in particular.

With kind regards,

Yours sincerely,

তৃণমূলকর্মীদের পেটান, খোলাখুলি ক্যাডারদের নির্দেশ দিলেন মুখ্যমন্ত্রী

মুখ্য সাহিবি • কোচবিহার

এবার সরাসরি বিরোধীদের মারার জন্য সিপিএম কর্মীদের প্রকাশ্যে নির্দেশ দিলেন মুখ্যমন্ত্রী বৃজেন বড়াচার্য। শনিবার কোচবিহারের রাসমোলা ময়দানে বামফ্রন্টের জনসভায় যেভাবে আক্রমণাত্মক ছিলেন মুখ্যমন্ত্রী তার কার্যত নজিরবিহীন। আর বিরোধীদের প্রতিহত করার জন্য দলীয় নেতা-কর্মীদের যেভাবে নির্দেশ দিয়েছেন, তা নিয়ে রীতিমতো আতঙ্ক ও ছড়িয়েছে।

এদিন বৃজেন বা সও-কারখানা করলেন তাকে মুখ্যমন্ত্রী নয়, একজন হিংস পাটি নেতার সত্য বেরিয়ে এসেছে। কোচবিহারে জনসভায় ভাষণ দিতে গিয়ে মুখ্যমন্ত্রী বলেন, "নির্বাচনে কয়েকটি আসনে জিতেই তৃণমূলের মাথা খারাপ হয়ে পড়েছে। ছল, কলহ, পঙ্কায়ত, সমস্যা সন্নিতি, পাটি অকিস, গ্রামের কমিটি, এমনই সব গায়ের জোরে দখল করতে চায় তারা। ওরা ভেবেছে কী? যা ইচ্ছে তাই করবে? সাবধান! সাবধান!" এর পরেই তাঁর হুমায়, "আপনারাই ওদের বুকিয়ে দিন। জবাব দিতে হবে বামপন্থীদেরই। বামপন্থীরাও যেন বসে মার খাবে না।" উপস্থিত দলীয় নেতা-কর্মীদের উদ্দেশ্যে মুখ্যমন্ত্রীর নির্দেশ, "আপনারা যেভাবে পাকন আপনাদের মতো করে বিরোধীদের প্রতিহত করুন।"

এতদিন যুল, কলেজের নির্বাচনে এমনকী, অন্য নির্বাচনগুলিতেও বহু এলাকায় বিরোধীদের মাঝী দিতে দিত না সিপিএম। আর এখন, একের পর এক নির্বাচনে

যখন তুরাত্ত্বি সিপিএম কার্যত অনিচ্ছিত হয়ে পড়ছে তখন এটাই কোথা যাবে সৈরীর ধীর ভেঙেছে রাজ্যের মুখ্যমন্ত্রীর। ফলে এদিন জনসভায় তাঁর সংলাপ ও শরীরীভাষা এটাই বুকিয়ে দিয়েছে, কতটা ঘরে রাখতে কতটা হিংস হয়ে উঠেছেন সিপিএম নেতৃবৃন্দ।

এদিন মুখ্যমন্ত্রীর বক্তব্যের পর একটি বিবরণ পরিভার হয়ে গিয়েছে, দলীয় পার্টিকর্মীদের যেভাবে বিরোধীদের প্রতিহত করার নির্দেশ দিয়েছেন, তাতে বৃজেন বড়ার পুসিণের কাছও একটি নির্দেশ চলে গিয়েছে। তা হল, এখন তৃণমূল নেতা-কর্মীদের উপর কোনও আক্রমণ হলে সেক্ষেত্রে সিপিএমের পক্ষ থেকে পুসিণ এবং ন্যায্য বিচারের ক্ষেত্রেও পুসিণের উপর চাপ থাকবে। আর এই বিবরণটি পরিভার হয়ে যাওয়ারতই আতঙ্কিত হয়ে পড়লেন বিরোধী কর্মীরা। এদিনও মুখ্যমন্ত্রীর জনসভায় সেরকম ভিত্তি ছিল না।

Jalpaiguri: Chief minister Buddhadeb Bhattacharjee on Saturday addressed a meeting in Cooch Behar in a bid to boost the morale of the district's Left Front cadres, who are on the back foot since last year's Lok Sabha polls.

by CPI[M] armed cadres in West Bengal**

In continuation to my earlier letters on the on-going violent incidents and attacks, today I am deeply hurt and shocked to inform your kind self about a ruthless and merciless murder of an active Trinamool Congress worker, Shri Sheikh Allauddin in Bakshinagar village, 3 km away from Magalkote police station by CPI[M] armed goons on the night of February 03, 2010. As per the father the deceased, said Allauddin was pulled out of his house forcefully and taken to a nearby field where he was beaten up ruthlessly and mercilessly by CPI[M] armed cadres with iron rods and lathis. Even not satisfied with this, the armed goons cut the veins on the legs of Sheikh Allauddin. The grievously wounded and profusely bleeding Allauddin succumbed to his injuries on way to hospital. Following his murder, the tension has engulfed the entire area and residents of the area are in the grip of severe shock.

The press clippings are enclosed herewith for your kind information.

শিরা কেটে মারধর, মঙ্গলকোটে খুন তৃণমূলকর্মী

নিজস্ব সংবাদদাতা, মঙ্গলকোট ও বর্ধমান: বঙ্গবাসী রাজনীতিতে ফের উজ্জ্বল মঙ্গলকোট।

শান্তি থেকে তুলে নিয়ে গিয়ে এক তৃণমূল কংগ্রেস কর্মীর পায়ের শিরা কেটে জারি-বৃত্ত দিয়ে গিটিয়ে হত্যার অভিযোগ উঠে সিপিএমের বিরুদ্ধে। নিহতের নাম শেখ আলীউদ্দিন (৩২)। বাড়ি বর্ধমানের গ্রামে। বৃহস্পতিবার রাতের ওই ঘটনার ফের তত্ত্বাবধায় সকাল থেকে তৃণমূলের বিক্ষোভ-অবস্থাপন্ন ভেত্রে ওঠে মঙ্গলকোট। মঙ্গলকোট গ্রাম পঞ্চায়েতের সিপিএমের উপ-প্রধান ডাবলু আমনসারি-সহ ১২ জনের নামে থানায় খুনের অভিযোগ দায়ের করেছেন নিহতের বাবা শেখ মোহাম্মদ।

অভিযোগ করেন, আলীউদ্দিন ওদের মধ্যে ছিলেন না। তবু তিনি প্রাণভরে গ্রামছাড়া ছিলেন বলে পরিচয়ের বাবী। বৃহস্পতিবার সন্ধ্যাতেই বাড়ি ফেরেন আলীউদ্দিন। নিহতের স্বী দিগুয়ারা বেগম বলেন, "রাত্রে হঠাৎ এক মল লোক দরজা ভেঙে লাঠি, রক্ত দিয়ে

ঘটনাস্থলে পুগিশ। যেতেই আলীউদ্দিনকে ফেলে চাপট দেয় হামলাকারীরা। পুলিশ সূত্রে ববর, আলীউদ্দিনের দু'পায়েরই শিরা কেটে দেওয়া হয় খারালো অস্ত্রের কোপে। বর্ধমান মেডিক্যালের পথে তিনি মারা যান।

বর্ধমানের পুলিশ সুপার রাজারাম রাজশেখরও অবশ্য দাবি করেন, "এই ঘটনার উপ-প্রধান জড়িত নন। বুনের ঘটনার জড়িত অভিযোগে মঙ্গলকোট পঞ্চায়েতের সিপিএম সদস্য শেখ বকুল মওল ও ডাবলু আমনসারির গাড়ির চালক শেখ লগাইকে বৃহস্পতিবার রাত্রেই ধরা হয়। শাকিবের পৌর চকরা।" তবে বঙ্গবাসী রাজনীতিই যে এই বুনের প্রধান কারণ তা সর্বত্র মেনে নিয়েছেন এসপি। তার কথা, "কয়েক দিন আগে ওই উপ-প্রধানের উপরে হামলা হয়েছিল। আমাদের অনুমান, সেই অজ্ঞানশেই ওই বুকের হাত্য করা হয়েছে।"

এ দিন দুপুরে হানপাতাল থেকে আলীউদ্দিনের দেহ মঙ্গলকোট থানায় নিয়ে যান তৃণমূল কর্মীরা। সিপিএম নেতা কাম্বী মুখোপাধ্যায় হত্যার অন্যতম অভিযুক্ত তৃণমূল নেতা বিকাশ চৌধুরীর নেতৃত্বে সেখানে বিক্ষোভ শুরু হয়। পরিহিত সামলাতে লাগি চালাতে হয় পুলিশকে। এর পরেই শববাহী শকট বাসবাহী রোজের উপরে আড়াআড়ি বেধে অবরোধ করেন তৃণমূল কর্মীরা। সেবে তৃণমূল নেতৃবৃন্দ হত্যাকেসে অবরোধ ওঠে। হত্যার জড়িতদের গ্রেফতারের দাবিতে পুলিশ সুপারের কাছে আরকলিপিও দেয় তৃণমূল। জেলা তৃণমূল সভাপতি (গ্রামাঞ্চ) স্বপন দেবনাথ বলেন, "ডাবলু-সহ হত্যাকাণ্ডে জড়িতদের গ্রেফতারের দাবিতে ৭ ফেব্রুয়ারি (রবিবার) মঙ্গলকোট থানার সামনে আমরা অবস্থান-বিমোহিত করব। পর দিন-রিধানসভার বিরোধী দলনেতা পার্শ্ব চট্টোপাধ্যায় বক্তৃতিগর থাকেন।"

যদিও ডাবলু আমনসারির দাবি, "আমি এই ঘটনায় জড়িত নই। উটে আলীউদ্দিনকে বাঁচাতে রাত্রেই আমি ওবুধ আর অ্যাথুগারশের ব্যবস্থা করি।" আর সিপিএমের ভারীরাও অজ্ঞান লোকটির সম্পাদক দু'বারের সূত্রে বক্তব্য, "আমাদের নেতা-কর্মীদের ফাসিতেই এই গল্প ফাটা হয়েছে।"

Trinamul man killed in Mangalkote

MANGALKOTE, 5 FEB: Tension ran high in Mangalkote today following the murder of a Trinamul Congress supporter by goons allegedly backed by the CPI-M last night.

The body of Sheikh Allaiddin with injury marks was found in a field on the outskirts of Bakshinagar village, 3 km off the Mangalkote police station last night. Two people — Bakul Moldol, a CPI-M member of Bakshinagar gram panchayat and Sheikh Lakai, a local CPI-M worker — were arrested.

Sheikh Mojahar, father of the deceased said a gang of criminals led by Mr Abdul Basar Ansari alias W, a deputy pradhan at Mangalkote gram panchayat raided his house around 8:30 pm. They dragged Allaiddin out of the house, took him to a nearby field and beat him up with sticks and iron rod. Allaiddin fell on the ground bleeding profusely and later succumbed to his injuries. The goons, who had slit the veins on his legs left him at the spot. On being informed the police arrived and took him to the hospital where he was declared brought dead.

Local people said Allaiddin had been at large for a few days after local CPI-M cadres accused him of being involved in a plot to kill W, who had escaped the attempt unhurt. He had returned to the village last night.

Mr Chandranath Mukherjee, local Trinamul Congress leader demanded arrest of W who is reportedly involved with 26 murder cases but the police could not frame charges against him due to lack of evidence. There were, however, no cases against Allaiddin. SNS

মঙ্গলকোটে তৃণমূল কর্মী খুন

নিজস্ব সংবাদদাতা, বর্ধমান: মঙ্গলকোট থানার বর্ধমানের বৃহস্পতিবার রাত্রে মৃশসভাবে খুন হয়ে গেলেন তৃণমূল কংগ্রেসের সক্রিয় কর্মী শেখ আলীউদ্দিন (৩০)। এই ঘটনার এলাকায় উত্তেজনা ছড়িয়ে পড়ল। বুতের বাবা শেখ মোজাহার তত্ত্বাবধায় সকালে বর্ধমান হাসপাতালে এসে জানিয়েছেন, মঙ্গলকোট থানা জুড়ে বুনোবুনির সন্ত্রাস এবং আতঙ্কে ১৭/১৮ দিন ধরেই আলীউদ্দিন গ্রাম ছাড়া ছিল। বৃহস্পতিবার বাড়ি ফিরলেন। তার অভিযোগ, বৃহস্পতিবার সন্ধ্যা সাট নাগাদ সিপিএম নেতা ডাবলু আমনসারি, শেখ পিনাই প্রমুখের নেতৃত্বে ৭/৮ জনের গুণাবাহিনী বাড়ি থেকে কোর করে তুলে নিয়ে যায় আলীউদ্দিনকে। গভীর রাত্রে মঙ্গলকোট মোড়ে ডাবলু আমনসারির বাড়ির কাছ থেকেই মরণাপন্ন এই বুকের তুলে আনুল্যাপ করে বর্ধমান হাসপাতালে পাঠানো হয়। পথেই মৃত্যু হয়েছে। তার পেরেই বর্ধমান হাসপাতালে হুটে আসেন তৃণমূল জেলা সভাপতি স্বপন দেবনাথ, সাধারণ সম্পাদক চন্দ্রনাথ মুখোপাধ্যায়, কার্যকরী সভাপতি

পরেচন্দ্র সরকার, বিকাশ চৌধুরি প্রমুখ। তারা জানান প্রচণ্ড প্রহরার পর হাত পায়ের শিরা এবং গলার নলি কেটে মৃশসভাবে খুন করা হয়েছে শেখ আলীউদ্দিনকে। স্বপনবাবুর অভিযোগ, রাজ্যের মুখ্যমন্ত্রী স্বয়ং বিভিন্ন সভার বুনোবুনির রাজত্ব কার্যে মরণে উদ্ভাসিত মলক ভাষণ দিয়েছেন। কয়েকদিন আগে সিপিএম নেত্রী বৃন্দা কাব্যতও দুর্গাপুরে এসে উদ্ভাসিত দিয়ে গিয়েছেন। এর ফলেই সারা রাজ্যের সঙ্গে মঙ্গলকোটেও বুনোবুনির রাজনীতি শুরু হই পেল বলে তিনি উবেগ প্রকাশ করেছেন। তিনি জানিয়েছেন, দোষীদের গ্রেফতারের দাবি সহ এলাকায় শান্তি ফেরাতে ওদিন বিকাশেই মঙ্গলকোটের গ্রামে আলীউদ্দিনের মরদেহ নিয়ে মিছিল করবে তৃণমূল কংগ্রেস। এলিক দলীয় কর্মী বুনের প্রতিবাদে সরব রাত্রে তৃণমূল কংগ্রেস নেতৃত্ব। বিরোধী দলনেতা পার্শ্ব চট্টোপাধ্যায় বলেছেন, যেখানেই পরিবর্তনের হাওয়া বইতে, সেখানেই মুখ্যমন্ত্রীর নির্দেশে খুন-খারাপি হচ্ছে। মঙ্গলকোটের ঘটনা আমরা আবার সেটা প্রমাণ করল।

Respected Sir,

Sub : On-going large scale violence being perpetrated by CPI[M] in West Bengal against peaceful and development oriented Trinamool workers

Further to my earlier communication dated January 25, 2010 regarding degree of lawlessness prevailing in our state wherein everyday incidents of killings, bloodshed, looting and setting fire to the properties of innocent villagers are taking place. Now, we have received incidents of killings of our workers. Shri Nishikanta Doloi, a resident of Maniktola, Jhargram, West Medinipur and Md. Akai Seikh of Natungram, Burdwan district were brutally murdered at the hands of CPI[M] armed goons.

Further, it is brought to your kind notice that Shri Ananda Ghosh, Secretary, Trinamool Congress Youth wing, Farakka block in the district of Murshidabad was mercilessly and brutally killed by CPI[M] Hamards while returning from the block office.

Sir, in another incident on January 25, 2010, when Trinamool leaders with the proper permission of District Authority were agitating peacefully in front of the office of Bally Municipality, Howrah, CPI[M] cadres suddenly appeared at the same place and in a fit of rage attacked our peaceful demonstrators without any provocation and as a result, about our 30 workers were badly beaten up by CPI[M] men and ultimately, our grievously wounded workers were taken to hospital for medical treatment.

We, wonder, how the District Police could allow a similar agitation by CPI[M] knowing well in advance that they have given permission to Trinamool Congress in the same place for holding a demonstration.

This type of action clearly shows that a section of the state police are acting at the behest of CPI[M] leaders instead of acting impartially and utterly failed to rescue the peaceful Trinamool demonstrators from the clutches of CPI[M] goons.

Sir, without your kind intervention and through your kind office, unless the Central Government takes immediate steps to bring back the peace and tranquillity and normalcy in the state through seizing the unlawful stocked arms and sophisticated ammunitions from the cadres of CPI[M], the situation in our state would, further go from bad to worse.

Respected Sir,

Sub : On-going large scale violence being perpetrated in West Bengal by
CPI[M] against peaceful and development oriented Trinamool workers

At the outset, we welcome you on taking over charge as Hon'ble Governor of West Bengal and convey our season's greetings to your kind self and to other family members of your family.

Sir, today, being your first day, I am ashamed and constrained to bring to your kind notice that CPI[M] with the aid of its **HAMARD VAHINI** engineered a large scale violence and created widespread disturbances in various districts of West Bengal. There were reports of intimidation and humiliation against peaceful Trinamool workers by **CPI[M] goons**. In some areas, our peace loving and development oriented workers were mercilessly beaten up.

One of our workers Shri Shyamal Naskar was fired at and his bullet riddled body is lying in the hospital for treatment. The reports of violence are being flashed by the electronic media constantly.

Further, yesterday [24/1/10], CPI[M] backed goons created a great tension over the election of a local School Committee at Talpur near Tarakeswar in the district of Hooghly in West Bengal yesterday [January 24, 2010]l. It was a well made plan by the ruling front with the aid of its hoodlums for disturbing the election procedure.

Sir, nothing is more painful or more cruel than the complete failure of the Left Front Government in West Bengal to provide security to the people, one of the important fundamental rights. There is a constant threat to life and property. Even a single day is unimaginable without arson and violent incidents unleashed by CPI[M] with the help of its HAMARD VAHINI. Loot, murder and plunder are order of the day. The state sponsored terrorism has reached at its nadir.

Due to the prevailing large scale violence in West Bengal, a common man has completely failed to lead a normal life and he is always scared. The on-going violence and terror activities of CPI[M] with the active aid of its HAMARD VAHINI have terrorized the common people so greatly that they always feel seriously frightened and prefer to remain indoors after sun set in the villages.

The Administration and police force do not care to take action against the perpetrators of violence and have become puppets at the hands of the ruling front. The people and the Opposition are frequently victimized for raising the voice of dissent.

The condition has become totally volatile. Even the present Chief Minister of West Bengal readily admitted on the floor of West Bengal Legislative Assembly on December 10, 2009 that 'his party had its own arsenal' in reply to a call attention motion by the Opposition. Even the Chief Minister informed on the floor of the Assembly that no. of killings in the state during the last 10 months, was 1764. The total no. of killings during the last 20 months exceeded 3300.

The entire state is in complete turmoil and the Constitutional Machinery has totally broken down in the state. Owing to this, democracy is in peril.

Under the above circumstances, I earnestly request you to kindly initiate appropriate steps for bringing normalcy and tranquility in the state for the sake of common people and for saving democracy in particular.

With kind regards,

Yours sincerely,

[PARTHA HATTERJEE]

Respected His Excellency,

Sub : Gruesome and merciless murder of Trinamool Congress workers and on-going large scale violence in West Bengal

Season's greetings.

Sir, today I am very much shocked and pained to bring to your kind notice that our four peace loving Trinamool Congress workers have been brutally and mercilessly murdered at the behest of CPI[M] within two days in the different parts of West Bengal. The total incident is a well planned and a calculated move by CPI[M]. Most of our supporters belong to Minority Community. We are collecting more details and will pass on to you on receipt of the same.

The whole incident got widespread publicity in all the National newspapers and it was openly telecast by electronic media. The paper clippings are enclosed for your kind information and perusal.

Nothing is more painful or more cruel than the complete failure of the Left Front Government in West Bengal to provide security to the people, one of the important fundamental rights. There is a constant threat to life and property. Even a single day is unimaginable without arson and violent incidents unleashed by CPI[M] with the help of its HAMARD VAHINI. Loot, murder and plunder are order of the day.

Due to the prevailing large scale violence in West Bengal, a common man has completely failed to lead a normal life and he is always scared. The on-going violence and terror activities of CPI[M] with the active aid of its HAMARD VAHINI have terrorized the common people so greatly that they always feel seriously frightened and prefer to remain indoors after sun set in the villages

The Administration and police force do not care to take action against the perpetrators of violence and have become puppets at the hands of the ruling front.

Trinamul land-grab duo shot dead

OUR CORRESPONDENT

Jhargram, Jan. 8: A Trinamul Congress worker who had allegedly grabbed a plot not knowing that its owner was related to a Maoist action squad member was shot dead last night about 15km from Jhargram town.

With Khondakar Masuz Ali was killed an aide whom he had asked to live on the land.

Police said Khondakar, 44, an affluent farmer who had contested the 2007 panchayat polls as a Trinamul-backed Independent, and Nirmal Nayek, 23, were shot twice in their head and chest with 9mm pistols.

In 2007, Khondakar, of Shalpara village, allegedly asked Nirmal Nayek to build a house on Khagen Mahato's land in adjacent Muraboni. "But he did not know that one of Khagen's distant relatives, Nirmal Mahato, was a Maoist. Khagen sought the intervention of the People's Committee Against Police Atrocities to resolve the dispute," said a villager who did not want to be named.

Around 8pm yesterday, Nirmal Mahato and his action squad comrade Dhanajati Madato were with the People's Committee activists who called Nirmal Nayek to a meeting with Khagen.

Charged with occupying Khagen's land, Nirmal Nayek said he did so under Khondakar's instructions. He then went to Khondakar's house and asked him to join the meeting.

"When Nayek came around 9, we asked Khondakar not to venture out. But he didn't listen. He took a dozen other villagers with him and I followed him with my daughter Fateema," said Khondakar's father-in-law Hasibul Hossain Nazir.

When Khondakar reached Muraboni, the People's Committee activists beat him up and asked his wife and father-in-law to leave. "I fell at their feet and requested them to release him. But the Maoists ordered us to leave," said Hasibul.

West Midnapore police chief Manoj Verma said preliminary investigations had revealed that the Maoists had recently demanded "a big amount" from Khondakar.

It is not known whether the demand for the "big amount" was because of the land-grab charge against him. Khondakar, who owned about five acres, had allegedly encouraged Nayek to occupy about a third of an acre.

"He was killed probably because he refused to pay the big amount to the Maoists. We are investigating why Nirmal Nayek was killed," Verma said.

According to a neighbour, the Maoists had sought Rs 5 lakh from Khondakar. Reshid Sheikh (name changed) added that the rich farmer often paid extortion money to the rebels.

The murders come days after Maoists pasted posters in Salboni threatening to punish Trinamul leaders after accusing a section of the party of shielding the CPM accused in the Chhoto Angaria massacre.

Murder for kitchen

OUR CORRESPONDENT

Balurghat, Jan. 5: A man was killed and his three brothers shot at because of rivalry between two self-help groups over the right to cook a South Dinajpur primary school's mid-day meal.

A CPM member Mustafijur Rehman, who owns a licensed 12-bore gun, allegedly fired at members and supporters of a Trinamul Congress-backed self-help group who had just filed a police complaint against their rivals.

Mustafijur's sister-in-law is part of the other group, the CPM-backed Sabuj Sathi.

However the district CPM leadership was quick to condemn the incident and demand "exemplary punishment" for the guilty. "We will not tolerate such violence. I have asked police to properly investigate the incident and ensure exemplary punishment for the accused."

ry punishment for the accused," Zilla parishad chief Magdalenia Murmu said.

Sabuj Sathi has been preparing the meal at Prachar Primary School, about 80km from district headquarters Balurghat. For the past five years, since Trinamul won the local Bangshihari panchayat samiti in 2007, Egive Cholar Pothe started demanding that the school job be shared.

"There are five more self-help groups, including ours, in the area and we had been demanding the job," said Rezia Bibi of the Trinamul-backed Egive Cholar Pothe.

They petitioned the BDO who called a meeting last month and asked them to take turns. It was decided that the six groups would cook for two months each this year.

According to Rezia, it was her group's turn to take over the responsibility today. "We

were making preparations for the cooking this morning when we were attacked. We called the police and they told us to file a complaint."

Mustafijur had allegedly asked them not to file the complaint. But Rezia's group did not heed his threat. Nurul Islam, 45, a known Trinamul worker, was killed. His brothers, Mominal, Mizanur and Moinal, are in hospital.

The police picked up three of the alleged assailants and Mustafijur's sister-in-law Jharna within hours but he had fled by then.

A police picket has been set up in the village, but Trinamul leaders did their bit to calm the atmosphere. "There is a need for jobs in the area and all self-help groups should be given equal opportunities," district party chief Biplob Mitra said without being drawn into the blame game.

Hon'ble Governor of West Bengal

Sub : Memorandum to the Hon'ble Governor of West Bengal
Regarding
cancellation of BPL List and major on-going brutal atrocities being committed by
CPI[M] in West Bengal with the active aid of its HAMARD VAHINI and a section of
State Police and Bureaucrats.

.....
Respected Sir,

Under the dynamic and able leadership of our beloved leader Ms Mamata Banerjee, the Chairperson of All India Trinamool Congress and the Hon'ble Union Railway Minister, Government of India, we, the following signatories have been bringing to your kind notice about the on-going brutal atrocities of CPI[M] in West Bengal and also sought the office of His Excellency, Governor of West Bengal *to stop the on – going blood bath and restore the democratic norms in view of the complete breakdown of the constitutional machinery thereby landing democracy in peril in the state.*

Before we deal with the present horrible situation prevailing in the state, we, the members of the delegation would like to bring to your kind notice regarding the faulty BPL List which was published by the State Government during the year 2006. We strongly urge for the cancellation of this faulty BPL List and a fresh faultless List should be published in its place.

The Major Anomalies & Discrepancies of the faulty BPL List :

- [1] The list shows a marked difference between the number of families included and those families which were left out in the proposal. The families included are mostly fake and not authentic.
- [2] A vast number of genuine existing families holding BPL / AAY Card find that their names have not been included in the current BPL List.
- [3] Further, the list does not cover all genuine families and they were not properly represented in the BPL list.

As such, in order to suitably amend the list, the following suggestions are given below :

- [a] *The above published BPL List speaks of marked irregularities. As such, the figures as shown in the said BPL List must be augmented accordingly as per the Economic Household Survey conducted by Local Bodies.*
- [b] *The families left out will be denied the essential Government facilities like Rationing, Medical and other facilities time to time if their names are not included in the list.*
- [b] *All the families which were left out must be included in the list immediately.*

The present BPL List does not carry any meaning if a genuine family is not properly represented in the list and thereby depriving him / her of essential facilities for which he / she is entitled. Accordingly, it must be corrected and suitably modified otherwise the present BPL list does not serve any purpose and is not acceptable to us.

- [2] *Further, Sir, nothing is more painful or more cruel than the complete failure of the Left Front Government in West Bengal to provide security to the people, one of the most important fundamental rights. There is a constant threat to life*

and property. Even, a single day is unimaginable without violence and arson being unleashed by CPI[M] with the active support of its HAMARD VAHINI.

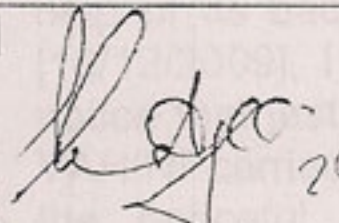

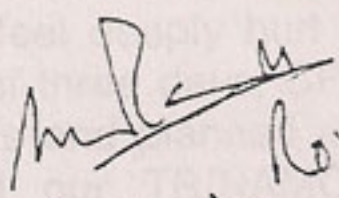

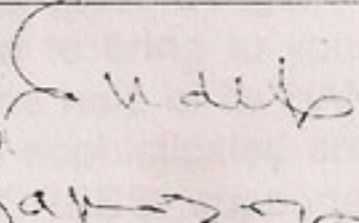

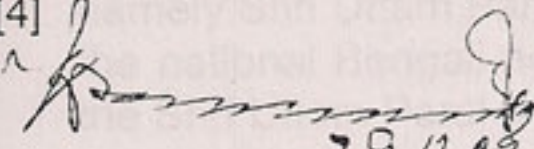

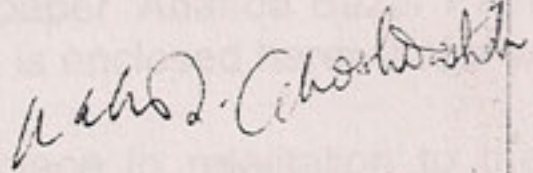

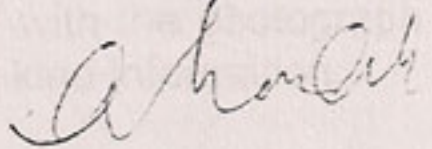

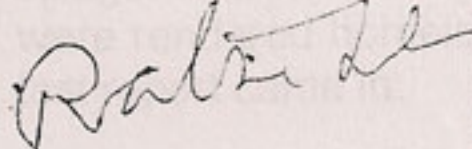

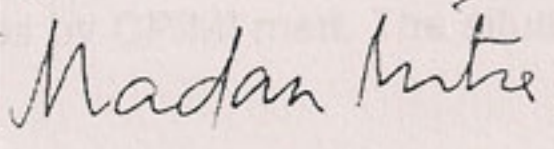

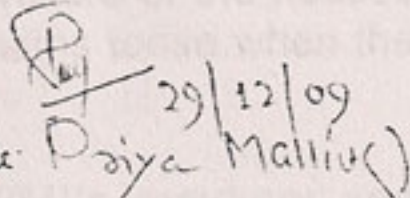

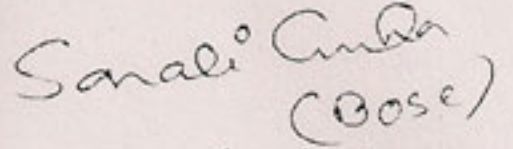

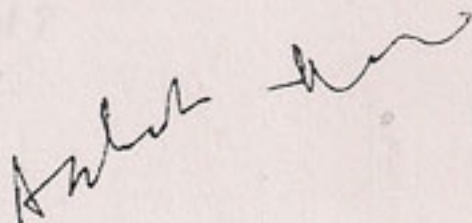

Till now, more than our 100 active supporters have been ruthlessly butchered.

Hope, the above issues will get due consideration and appropriate action may kindly be initiated in this regard.

With kind regards,

We, the following members
of Delegation Team on December 29, 2009

Date December 18, 2009

Respected Sir,

**Sub : Reports of fresh mayhem and
violence in West Bengal by CPI[M]**

Season's greetings.

In continuation to my earlier letter dated December 15, 2009 apprising you of the reported incidents of violence in the educational institutions and horrible and shameful on-going atrocities being perpetrated by CPI[M] with the help of its backed hooligans in the different districts of West Bengal, today [18/12/2009], I once again feel deeply hurt and pained to bring to your kind notice that just after a gap of three days, CPI[M] with the help of its HAMARD VAHINI carried out merciless and planned attacks with sophisticated arms on the peaceful villagers and our TRINAMOOL CONGRESS supporters at Malaypur village near Arambagh in the district of Hooghly in West Bengal on December 17, 2009 resulting in the instant death of our Trinamool supporter, namely Shri Uttam Paral in the said village. The whole incident was published in the national Bengali newspaper 'Ananda Bazar Patrika' with the photograph of the Shri Uttam Paral which is enclosed herewith for your kind information.

The incident took place in retaliation to the peaceful demonstrations staged by the villagers of the said village against Shri Anil Basu, CPI[M] hard core violent leader and ex.MP against his misdeeds during his trip to the said village. Further, many houses were set on ablaze and dwellers of the houses were rendered homeless by CPIM] men. The situation remains tense when the last report came in.

Sir, my one simple question is how long CPI[M]'s mayhem and brutal and merciless attacks on the people and our supporters will continue in West Bengal ?

At present there is no law and order in the state. Anti-social elements and CPI[M] backed armed hooligans are given safe shelter in havens and sanctuaries built by CPI[M] to terrorise the people and the opposition for raising their voice of dissent. Their terror activities have impacted the lives of common people so greatly that they always feel seriously frightened and hardly dare to carry on their regular activities especially in the villages. The condition has become totally volatile.

Terror, loot and plunder are order of the day. As a result, all the districts and towns of West Bengal are in grip of complete violence. CPI[M] – criminals nexus makes a mockery of law and order situation in the state. Even the present Chief Minister of West Bengal also virtually admitted on the floor of West Bengal Legislative Assembly on December 10, 2009 that his party had its own arsenal'. The bureaucrats and police force are forced to toe the party line.

The constitutional machinery in West Bengal has totally broken down. Owing to this, democracy is in peril in the state.

Under the above circumstances, I once again earnestly request you to kindly intervene taking appropriate steps for bringing normalcy and tranquility in the state for the sake of common people and for saving democracy and more importantly para military forces may be posted in view of the total anarchy and for unearthing the huge sophisticated arms stockpiled by the armed HAMARD VAHINI of CPI[M] and stored in their havens and sanctuaries which are constantly being used against the people and our workers.

Respected Sir,

Reports of fresh violence and
at its different colleges in West Bengal

Season's greetings.

In continuation to my earlier letter dated December 09, 2009 regarding reports of violence in the colleges and horrible on-going violent incidents in the different districts of West Bengal, today I once again feel deeply hurt to inform you that a calculated and well planned attack was launched by CPI[M] with the help of their HAMARD VAHINI on our peaceful Trinamool Congress supporters over the filing of nomination papers on the eve of ensuing Panchayat by-election in Canning in the district of South 24 Parganas in West Bengal. The violent CPI[M] attackers used bombs and crackers freely to terrorise our supporters. Further, the HAMARD VAHINI of CPI[M] damaged and burnt near about 100 houses making the dwellers homeless. Two innocent persons received bullet injuries and in a critical condition. Many of our supporters and innocent villagers were seriously injured as a result of violent clashes. Later police arrived and burst tear gas shell to control the situation. The entire area is in the grip of widespread tension when the last report came in.

[2] Again there was a violent clash between SFI – Students' wing of CPI[M] with the help of HAMARD VAHINI and Trinamool Congress Chatra Parishad members over the submission of nomination papers in Khandra and Pandebwar colleges at Durgapur in the district of Burdwan in West Bengal on the eve of the college union election.

[3] In a similar incident, alleged CPI[M] cadres forcefully did not allow Trinamool Cngress Chatra Parishad members to file their nomination papers in Dhanekhali college in the district of Hooghly in West Bengal this morning.

All the incidents are reportedly being flashed by the electronic media.

Sir, repeated disturbances and violence by CPI[M] with the aid of its armed HAMARD VAHINI has completely paralysed the normal life in all the towns and districts of West Bengal. The situation is worsening day by day. Out of frustration due to continuous poll reverses, CPI[M] has now chosen the path of violence. THERE IS A TOTAL BREAKDOWN OF THE CONSTITUTIONAL MACHINERY IN THE STATE. The ruling front in West Bengal is adamant and bent on creating regular disturbances. Not a single day passes without violent incidents. The armed CPI[M] HAMARD VAHINI is always using the sophisticated weapons which were mostly seized from the anti social elements by the State Police. Instead of depositing the arms in the Police armoury, they were deliberately smuggled to the CPI[M] HARMARD VAHINI. 'Even the Chief Minister of West Bengal also virtually admitted on the floor of West Bengal Legislative Assembly on December 10, 2009 that his party had its own arsenal'. The same was reported in 'The Telegraph' dated December 11, 2009. The press clipping is enclosed for your ready reference.

Sir, the state is fast descending into anarchy and chaos. CPI[M]-criminals nexus makes a mockery of law and order. It has become difficult for commoners to lead a dignified life in and around West Bengal.

We feel, under the above circumstances, the Central Government being the guardian of the constitution can now intervene for the sake of constitution and for restoring the democratic process so that fear stricken and panicky people of West Bengal feel relieved from the current widespread violence.

CM singles out Trinamul

11/12/09
OUR SPECIAL
CORRESPONDENT

Calcutta, Dec. 10: The chief minister today made a distinction between the Congress and its ally Trinamul Congress in the Assembly while responding to charges of his failure to contain violence.

When Congress leader Manas Bhuniya said bloodshed in the Lalgarh region had not abated despite the presence of a large contingent of central and state forces, Buddhadeb Bhattacharjee responded by castigating Trinamul as a "*hingsra* (violent)" party.

"We want an all-party consensus to stop the violence. But it is difficult with such a violent Opposition party sitting with you," he said.

Apparently alluding to the Prime Minister's contention that the Maoists posed the biggest threat to internal security, he even accused Trinamul of compromising the national interest by conniving with the rebels. "Some forces active in our state are supporting the Maoists, hurting national interests.... Sections of the Jharkhand Party and, recently, Trinamul are supporting them."

While admitting deterioration of law and order in the Lalgarh region because of the Maoists, he also blamed Trinamul for "general anarchy and violence". According to him, 69 people have been killed in the three Maoist-hit districts since November 13 — 47 from the CPM and 15 from Trina-

mul being among them.

He said the government was trying to seize illegal arms but also virtually admitted that his party had its own arsenal. "The ruling party has its share of responsibility in maintaining peace, but the Opposition should also co-operate," he said, hinting at his disapproval of the growing clamour for an "organised resistance" within the CPM.

His comments on the alleged nexus with the Maoists and the Speaker's refusal to expunge them prompted Trinamul to walk out. "It's a debate and trading of political allegations is part of it," the Speaker said.

Trinamul House leader Partha Chatterjee described Bhattacharjee as "rudderless" and the Speaker as an "Alimuddin Street stooge".

Trinamul leaders were not happy with the Congress either as they felt Bhuniya had helped the CPM highlight its toll in the Maoist violence.

Chatterjee spoke more on the figures Bhattacharjee furnished in reply to his question on the extent of violence in the state. According to the written reply, 1,720 people were killed, and 845 political clashes and 2,352 abductions took place this year till October 31.

"The figures speak volumes about the state's law and order and expose the chinks in the CPM's blame on Maoists and Trinamul for all the ills. The chief minister should specify how many of the murders are political," Chatterjee said.

killing of Trinamool Congress worker**

Season's greetings.

In continuation to my earlier letter on December 21, 2009 over the on-going brutal atrocities and violence in West Bengal, today I am further shocked to bring to your kind notice that just after a gap of three days, CPI[M] backed armed hoodlums engineered a fresh violence, fiercely attacked and shot dead Shri Nabakumar Karmakar, a young Trinamool Congress supporter from a point blank range at Moshat Bazaar near Chanditala in the district of Hooghly in West Bengal in front of his father on December 24, 2009. Even after that, they did not spare his old father, the CPI[M] supported goons with the aid of its HAMARD VAHINI in a fit of further rage laid a siege to his father; relieved him of Rs.6,000/- and a gold chain weighing 15 bhoori. The profusely bleeding and heavily wounded Shri Karmakar was declared brought dead upon admission in the local health centre.

The whole incident got widespread publicity in all the National newspapers today [25/12/09] and it was openly telecast by electronic media. The paper clippings are enclosed for your kind information and perusal.

Nothing is more painful or more cruel than the complete failure of the Left Front Government in West Bengal to provide security to the people, one of the important fundamental rights. There is a constant threat to life and property.

Respected Sir,

**Sub : Eruption of fresh violence and gruesome murder of Congress
& Trinamool Congress workers at Habra in West Bengal by CPI[M]**

Season's greetings.

Please refer to my earlier letter dated December 18, 2009 apprising you of the reported incidents of violence and horrible on-going atrocities being perpetrated by CPI[M] with the help of its backed hooligans in entire West Bengal. Further, I am deeply pained to inform you that on December 20, 2009 a peaceful Blood Donation Camp at Habra in the district of North 24 Parganas in West Bengal turned into a '**Blood Bath Centre**' when the six miscreants, all backed by CPI[M] and its HAMARD VAHINI raided the camp, burst bombs, fireworks and fired indiscriminately.

Further, in a fit of rage they fiercely attacked two workers namely S/Shri Bapi Chowdhury of Indian National Congress and Ranjit Roy of Trinamool Congress. Afterwards, both were fired at with a close range by CPI[M] backed goons resulting in their instant death at the spot. The whole incident got widespread coverages in all the National newspapers today [21/12/09] and it was subsequently telecast by electronic media. The paper clippings are enclosed for your kind information and perusal.

Sir, in-fact the entire West Bengal is in the grip of unprecedented red-terrorism created by CPI[M]. The State Sponsored Terrorism has reached at its nadir. The fallen and forsaken CPI[M] after the constant poll reverses have now chosen the path of violence by flexing their muscle power with the aid of the state police and its HAMARD VAHINI, terrorizing the people to maintain their political supremacy undemocratically. The total number of our workers killed till date due to violence and terror perpetrated by CPI[M] is more than 130. The number of death is increasing constantly due to the reign of terror created by CPI[M] with the help of police and its armed goons. The brutal annihilation of our peaceful and development oriented workers amply proves their well planned conspiracies and misdeeds.

Bullets amid kids and blood donors

A STAFF REPORTER

Habra (North 24-Parganas), Dec. 20: Children wept in panic and blood donors ran helter-skelter as gunmen fired wildly at a drawing contest-cum-blood camp here today, killing two men and proving that no place was immune from political violence in Bengal.

One of the dead being a Congress activist and the other a Trinamul Congress worker, fingers were immediately pointed towards the CPM, which denied any role in the attack during which four bombs too were hurled. Police were trying to verify claims that a young girl had taken a bullet hit while confirming gunshot and splinter injuries to five people.

Links were quickly drawn to the campus violence raging across the state — on which the chief minister dwelt at length today — which means the stakes involved not Writers' Buildings but a college union room in this district town 60km from Calcutta.

Trinamul Chhatra Parishad chief Baishanar Chatterjee said the two slain men — party activist Ranjit Roy and the Congress's Bapi Choudhury — had been working together to defeat the CPM student wing, SFI, at next

STRIFE-TORN SUNDAY

Seven people were killed in clashes in Bengal on Sunday

Habra: Two men gunned down.

They were said to be associated with the efforts of the Trinamul Congress and the Congress to make inroads into an SFI-controlled campus.

Jhargram: Two Maoists killed in battle with police that lasted over five hours. Seven villagers, who police said were put in the line of fire by the Maoists, were injured. Earlier in the day, two CPM activists were killed by suspected Maoists.

month's elections at Habra Chaitanya College. "The CPM hired the killers," he said.

The gunmen came around 12.45pm, just after Trinamul civic chief Tapati Dutta and local CPM MLA Pranab Bhattacharya had left, having spent 15 minutes sharing the dais at the inauguration.

Seven people were donating blood and about 30 children, mostly aged six to 12, sat making sketches in a field near the clubhouse of organisers Yuva Sanskritik Chakra.

The attackers, who came on three motorbikes, tried to drag away Congress activist Bapi, a rice exporter in his early 30s, at gunpoint, said blood camp president and local Trinamul leader Kanchan Ghosh.

Ranjit, 24, intervened and was shot in the head. The gunmen began firing at random and exploded bombs, during which Bapi took a bullet in the chest, Ghosh said. "We ran for our lives. Those who were giving blood also ran."

Class I student Payel Roy was drawing a landscape when she heard one loud explosion after another. "I was afraid and began crying. I was looking around desperately for my father. The children around me too were crying," she said.

Father Prafulla, waiting with his bicycle at one side of the field, immediately ran towards her. "I picked her up and ran, leaving my cycle behind," he said.

Ranjit was declared dead

on arrival at a Habra hospital and Bapi died at a nursing home in nearby Barasat. Another Trinamul supporter, Bapi Bhattacharya, 22, is in the same nursing home with a bullet injury in his leg.

Bapi Choudhury had been a key player in cementing the local alliance with Trinamul, district Congress chief Narayan Saha claimed.

"The CPM killed them. Habra, once a CPM bastion, is slipping from their grip," alleged leader of the Opposition Partha Chatterjee, who visited the town with Trinamul colleague and Union minister Mukul Roy. "We are yet to identify the attackers," said S.K. Purakayastha, inspector-general (law and order). The Congress has called a 12-hour bandh in Habra tomorrow with Trinamul support.

CPM leaders Amitava Nandy and Benoy Konar denied their party's involvement in the attack. Pranab Mukherjee said: "The government has to ensure peace (and) must get the political parties to act with restraint."

In Raniganj, Buddhadeb Bhattacharjee accused the Opposition of unleashing violence in colleges: "After winning a few Lok Sabha seats, they think they will take control of student unions by using force in college elections."

Leaders' murder sparks mob fury in Habra

Habra (North 24-Parganas): Blood spilled outside a blood donation camp — patronised by all three main political parties — at Habra in North 24-Parganas on Sunday morning, with Congress leader Bapi Chowdhury and a Trinamool leader Ranjit Roy gunned down in front of hundreds of people.

The killings triggered a mob frenzy, in which several vehicles — including an ambulance — were set ablaze. Local Congress unit has called a 12-hour Habra bandh on Monday.

Yuba Sanskritik Chakra, a club at Habra's Prafullanagar, had organised the blood donation camp. Habra CPM MLA Pranab Bhattacharya had been to the camp and came out barely 20 minutes before the shootings took place.

Around 12.30 pm, six masked men on three motorbikes came to the spot and stopped outside the club ground. They took out guns and started firing indiscriminately. The Trinamool leader, Ranjit Roy, was standing right in front of the pandal and was the first to fall to the bullets. He was hit in the chest. A few metres away stood Bapi Chowdhury of Congress. After a bullet cracked his ribs, he turned and tried to run away. Another bullet hit him on the back and he fell down. He was taken to Habra Hospital, where he died after some time.

Two more men waiting at the camp were injured. They were taken to Barasat State General Hospital in a critical condition. The gang fled after firing around seven to eight rounds of bullets.

A group of Congress workers went to Habra Hospital, demanding Bapi be shifted to

Barasat hospital. On being told that he was already dead, they went berserk. They set ablaze an ambulance parked on the hospital premises. The mob went on to attack police and other hospital vehicles parked nearby.

A few hundred Congress supporters blocked Jessore Road and Habra railway station in protest against the murder. A truck and a bus which got stuck were set on fire and the drivers severely assaulted. A motorbike was also torched. The truck was set on fire near

the Habra station's Gate Number 2. The flames reached the overhead wires, causing extensive damage. Another group of Congress supporters attacked a CPM branch office and set it on fire. Congress workers claimed that CPM and Trinamool had joined hands to eliminate Bapi, who had gained popularity in the area.

State transport minister and North 24 Parganas district leader Ranjit Kundu blamed Trinamool for the murders. "They had planned to eliminate Bapi. During the

shooting, one of their men came in the line of fire and got killed," Kundu said.

Trinamool leaders Partha Chatterjee and Kakoli Ghosh Dastidar went to Habra. "Today's violence was pre-planned. The CPM MLA was aware of the conspiracy," Chatterjee said.

Congress leader Manas Bhunia said that CPM is pushing the state towards a civil war. "Our leaders are being targeted everywhere," he said.

Police are conducting raids to nab the culprits. "It is too early to say if the murders were politically motivated or not," said North 24-Parganas SP Rahul Srivastava.

Respected Sir,

**Eruption of fresh violence unleashed by student SFI - wing
of CPI[M] with the help of CPI[M] Hamard Vahini in College Campus**

I have been writing to you from time to time regarding on-going violence prevailing in West Bengal after the 15th Lok Sabha Election, 2009 and I would also like draw your kind attention to my last letter dated December 4, 2009 on the violence in college campus.

I am also happy to inform you that I have received your reply dated November 30, 2009 in reference to my letter dated November 25, 2009 on the on-going CPI[M] atrocities in West Bengal assuring me of the matter being examined.

Again today I am deeply grieved to inform you that today [December 09, 2009], SFI - CPI[M] student wing with the help of CPI[M] HAMARD VAHINI created a reign of terror in the two colleges namely Dubrajpur Hetampur College in the district of Birbhum and Chadaga College in the district of Hooghly in West Bengal over the submission of nomination papers on the eve of College Union Elections, which led to violent clashes. The bombs and crackers were freely used by the SFI members and they were bent on terrorizing the peaceful Trinamool Congress Chatra Parishad Members. CPI[M] HAMARD VAHINI also aided them in their operation. Subsequently, police made lathi charges and burst tear gas shells for forcibly driving away Trinamool Chatra Parishad Members. As a result, tension has greatly engulfed the two colleges and a war like situation is prevailing there.

Sir, as I have earlier intimated to you earlier that the CPI[M] after losing all the previous elections starting from Panchayat Election have now started spreading their wings in the Educational Institutions in West Bengal to jeopardize the educational atmosphere. SFI- student wing of CPI[M] is performing badly in all the recently held college union Elections and with this fear, they are now not even allowing Trinamool Chatra Parishad members to file the nomination papers. recent happenings in the colleges, the morale of our student members has been badly hit and a sense of fear psychosis has largely gripped them.

Sir, the situation in West Bengal is going out of control and has already become volatile. Even a single day is not passing without the violent incidents being let loose by CPI[M] and their hired goons. CPI[M] – criminals nexus makes a mockery of law and order situation. As a result, all the districts and towns of West Bengal are in grip of violence and as a result the commoners feel insecure and unable to lead a peaceful and dignified life. The constitutional machinery in West Bengal has totally broken down. Due to this, democracy is in peril in West Bengal.

Under the above circumstances, I once again request you to kindly intervene immediately and please instruct the appropriate authorities for bringing the situation well under control in all the districts and towns of West Bengal including in the concerned two colleges i.e. Dubrajpur Hetampur College in the district of Birbhum and Chadaga College in the district of Hooghly in West Bengal so that our Trinamool Congress Chatra Parishad members can file nomination papers without fear and elections are held smoothly.

Respected Sir,

**Eruption of fresh violence at Khankul villages
in the district of Hooghly in West Bengal**

Season's greetings.

In continuation to my earlier letter dated November 26, 2009 regarding forcible capturing of villages by CPI[M] HAMARD VAHINI in Majhpur village [Khanakul] in the district of Hooghly on November 26, 2009, which resulted in the death of one of our Trinamool supporters namely Shri Ananta Dulai and seriously injuring others including OC of the local PS. Many villagers in and around the villages were also rendered homeless due to this unfortunate and shameful acts carried out by the CPI[M] backed goons. Hope, you might have taken action in this regard.

Further, I am constrained to bring to your kind notice that just after the departure of the Central Team, fresh violence has once again erupted at Khanakul in Hooghly yesterday [03/12/2009]. *It was a well calculated conspiracy which was carried out by the goons of CPI[M] at the instructions of CPI[M] headquarters at Kolkata to terrorise our peaceful Trinamool Congress supporters and Chatra Parishad members.*

The story in brief is Trinamool Congress Chatra Parishad members were forcibly prevented from submitting nomination papers for elections to students' union of a local college in Khanakul which is scheduled to be held on December 09, 2009. The attack on Trinamool Congress Chatra Parishad members by SFI – Students' wing of CPI[M], took place despite prohibitory orders under Section 144 was in force in Khankul. CPI[M] men even cared little and totally ignored Section 144 and unleashed a fresh reign of terror in the area.

As a result of the attack, our thirteen supporters including senior district leader Shri Sailen Sinha received grievous injuries. Sustaining splinter injury, Shri Sinha jumped into a pond to save his life from the imminent onslaught by CPI[M] backed goons. Subsequently, Shri Sinha was admitted to Srirampur Hospital for better medical treatment.

This shows how grave is the situation in West Bengal. SIR, THERE IS A TOTAL BREAKDOWN OF THE CONSTITUTIONAL MACHINERY IN THE STATE. The SFI - CPI[M] student wing members with the help of CPI[M] backed hooligans did deliberately apprehending their defeat in the ensuing college union election. Yesterday's attack was made in front of the police escort. The police failed to control the situation and remained silent spectators. [The press clipping is enclosed for your kind information and ready reference].

In a similar incident, alleged CPI[M] cadres forcefully did not allow Trinamool Congress Chatra Parishad candidates to file their nomination papers to the election to the students' union of the Tarakeswar Degree College in Hooghly in West Bengal this morning.

The belligerent and beleaguered party i.e CPI[M] and their HAMARD VAHINI after suffering the recent poll reverses are now embarking on the path of violence in educational institutions too thereby completely eroding the sanctity of the educational institutions.

It is also brought to your kind notice that one of our popular leaders Shri Monsab Ali was shot dead on the night of December 01, 2009 in one of the districts of South 24 Parganas of West Bengal. As a result, the tension has engulfed the whole town. No headway has yet been made in this regard.

Khanakul erupts after team leaves

THE STATESMAN - 11 ATTEND - 04/12/1991

II Statesman News Service

KOLKATA, 3 DEC. A day after the Central team left the state without visiting the villages hit by political violence, fresh trouble broke out at Khanakul in Hooghly today as alleged CPI-M cadres hurled bombs and opened fire at Trinamul Congress Chitra Parishad

members to prevent them from submitting nomination papers for elections to students' union of a local college. The attack on Trinamul Congress Chitra Parishad supporters occurred despite prohibitory orders under Section 144 CrPC being in force in Khanakul. The Trinamul Congress alleged that thirteen of its supporters, including a senior district leader ~ Mr. Saichen Sinha ~ were injured in the attack.

According to local residents, more than hun-

dred armed men cordoned off the Raja Rammohan Roy Mahavidyalaya at Khanakul this morning to prevent Trinamul Congress students from filing nominations for the union election, scheduled to be held on 9 December. Today was the last day for filing nomination papers.

Apprehending attacks on them, Trinamul Congress Chitra Parishad members had gathered at a place located few kilometres away from the college around 10 am. Later, they left for the college in two cars under police protection. When the vehicles were some distance away from the college, alleged CPI-M backed goons ~ who were brought to Khanakul from other areas ~ intercepted the vehicles, dragged out the Trinamul Congress supporters and started beating them up. The attack took place in front of the policemen who were

escorting them.

It was alleged that the CPI-M-backed goons hurled bombs at random and even fired bullets, following which, policemen fled the spot and the Trinamul Congress supporters ran for cover. Sustaining splinter injury, Mr. Sinha jumped into a pond.

A large police contingent arrived the spot after the attackers had retreated. Policemen rescued the injured and took them to Khanakul Hospital. Mr. Sinha, who was admitted to the hospital, alleged the CPI-M leaders had masterminded the attack realising that their students' wing ~ SFI ~ would be defeated if an election is held.

Mr. Bhajahari Bhuniya, secretary of the CPI-M Khanakul zonal committee, however, said Mr. Sinha and his henchmen had first attacked SFI candidates to prevent them from

filing nomination papers. Violating prohibitory orders imposed in the area, Mr. Sinha and his party men hurled bombs on SFI candidates who were going to file their nomination papers, Mr. Bhuniya said claiming that one of his party supporters was injured in the attack. A police picket has been posted in front of the college. Policemen are patrolling the area but none has been arrested so far.

In a similar incident, alleged CPI-M cadres stopped Trinamul Congress Chitra Parishad candidates from filing their nominations for the election to the students' union of the Rajakswar Degree College in Hooghly this morning.

A clash ensued in which some college rooms were vandalised. A large police contingent rushed to the college and brought the situation under control.

Again I am deeply grieved to inform you that today [November 26], CPI[M] with the help of its HAMARD VAHINI forcibly tried to capture the villages belonging to our peace loving Trinamool supporters. In order to get success in their mission, the CPI[M] men fired indiscriminately at our supporters and as a result one of our supporters namely Shri Alanta Dalui died instantly after receiving the shot. Another five Trinamool supporters have sustained bullet injuries and are lying in a critical condition in the local hospital. The entire area is burning till the last report came in. The news of violence is also constantly being flashed by the Media. Even The OC of the local PS, Shri Sukomal Das was also not spared and received bullet injury when they tried to control the violent CPI[M] men.

On hearing the news, our beloved leader and AITC Chief, Ms Mamata Banerjee has already taken up the issue strongly and asked for deputing a Central team to the affected place for an on the spot study of today's situation.

The story in brief is the student wing of CPI[M] – SFI went on rampage in the college campus and did not allow our Trinamool Chatra Parishad Members to collect and submit the nomination papers over the election of college union election. Our Trinamool Chatra Parishad members were trying peacefully to submit the nomination papers but they were obstructed forcibly by SFI members and CPI[M] supported outsiders. As a result our members were mercilessly beaten and assaulted by SFI members and CPI[M] backed goons. The situation went out of control. Campus clash on poll-eve

OUR BUREAU

A college on the northern fringes of the city erupted over the filing of nominations for students' body elections amid growing murmurs of favouritism by several college principals, most of them being CPM appointees.

More than 30 students were injured as the clash at Panihati College, between SFI and Trinamul Chhatra Parishad supporters, spread from the campus to Sodepur Road and Panihati State General Hospital.

"We had to fire one round in the air and use tear-gas shells to disperse the crowd. Later, we arrested two SFI supporters on charges of rioting and inciting violence," said a North 24-Parganas police officer, adding that Section 144

College authorities battling for SFI, claims Team Trinamul

had been clamped on the campus and its adjacent areas.

Tuesday's campus violence over student elections comes within a week of similar clashes in the day section of the South City College and Behala College. A pointer to the fact that in poll season on campus, both parties are desperate to win over students before the 2011 big fight.

Students' union bodies in more than 90 per cent colleges in and around Calcutta are under the SFI's control. Riding the wave of change blowing across Bengal, Trinamul is now posing a threat.

Opposition leader Partha

Chatterjee visited Panihati later in the day and accused the local CPM of fanning violence on campus. Two Trinamul MLAs — Arjun Singh and Nirmal Ghosh — were present in the area when the supporters of the two students' organisations had clashed.

SFI supporters accused their rivals of bringing outsiders into the campus and attacking them. But the Trinamul camp claimed that when their candidates turned up in college — an SFI stronghold for 22 years — to collect nomination forms for the elections scheduled on December 1, the SFI supporters attacked them.

"For the past several years, SFI supporters have not even allowed opposition candidates to file nominations," said a Trinamul student leader.

The Trinamul Chhatra Parishad also accused the college principal of playing partisan politics to help the SFI retain control of the union, by allowing selective entry of outsiders into the campus.

Sanjoy Ghosh, principal of the college and an influential member of the CPM's North 24-Parganas district committee, rubbished the charges.

The neutrality of college authorities, directly under the control of Alimuddin Street, has been questioned by the Trinamul camp on several campuses, sparking clashes and unrest in the run-up to student body elections.

Goons attack Trinamul men inside hospital

KOLKATA, 24 NOV: A group of criminals attacked Trinamul Congress supporters with daggers and swords and fired a few rounds in the premises of Chinsura Imambara Hospital in Hooghly tonight.

Three Trinamul supporters, Mr Hossain Mallick, Sheik Ibrahim and Mr Dilip Das were severely injured in the attack. Though the motive behind the attack could not be ascertained Trinamul leaders alleged it was carried out by CPI-M-backed goons, an allegation denied by the CPI-M. Senior police officers have rushed to the spot but no one has been arrested so far.

According to police, a group of Trinamul supporters had brought their party colleague, Shiek Sakim (23) to the hospital

from Khanakul, where he had been shot at this evening. Senior Trinamul leaders including the party's working president Mr Tapan Dasgupta also rushed to the hospital. As the Trinamul supporters were coming out of the hospital, when some men armed with bombs, daggers and swords attacked them around 8.30 p.m. Mallick, Ibrahim and Das sustained stab injuries. The goons also fired a few rounds at the Trinamul supporters.

Alerted by the gunshots and shouts for help doctors and health staff rushed out to find the three lying in a pool of blood in front of the hospital gate. The attackers also damaged a few vehicles including that of Mr Dasgupta. The injured Trinamul supporters were taken inside the hospital for treatment; Mr Das was later transferred to SSKM Hospital.

Mr Dasgupta alleged the attack was carried out by CPI-M backed goons. He said an FIR would be lodged with the police and office of the superintendent of police will be gheraoed tomorrow. || SNS

Students, cops hurt in college clash

II Statesman News Service

PANIHATI, 24 NOV: A clash broke out between two groups of students belonging to the SFI and the Trinamul Congress Chhatra Parishad (TMCP) at Panihati College this morning.

At least five students and four policemen were injured in the clash. A large contingent of police including RAF had to be deployed following the incident. Three persons were arrested.

Police said trouble broke out around 10.30 a.m. when SFI and TMCP supporters had gone to the principal's room to submit their nomination papers for college union election. A heated argument took place over submission of nomination papers and a clash ensued.

While rival groups of students pelted stones at each other, some armed goons, allegedly outsiders, entered the college premises and beat up some students.

The supporters of TMCP alleged that the SFI supporters had hired these goons, who fired in the air and hurled bombs to scare students away. Five students were injured in the clash, belonging to both sides. Four police personnel including two women Ms Ratna Roy and Ms Sraboni Banerjee were seriously injured after being hit with brickbats. The injured persons were taken to a local hospital.

Mr Arjun Singh, Trinamul Congress MLA from Bhatpara and Mr Nirmal Ghosh, former MLA Panihati, arrived at the spot and launched a demonstration alleging that CPI-M men had brought in hired goons from outside to attack the TMCP supporters.

Meanwhile, Mr Shyamal Banerjee, deputy magistrate and Mr Shibnath Mandal, magistrate, arrived at the spot and asked both the party supporters to vacate the college premises within five minutes.

But the supporters of either side paid little attention to the warning, and continued their agitation. Soon police resorted to a lathicharge to disperse them and allegedly lobbed a few rounds of teargas shells to bring the situation under control. Mr Nirmal Ghosh, Trinamul leader, was allegedly beaten up by police.

Traffic was disrupted on Sodepur-Barasat road for about three hours following the clash. Later, the leader of the Opposition, Mr Partha Chatterjee, and Trinamul Congress MLA Mr Madan Mitra went to the hospital and met the injured students. Local Trinamul Congress leaders alleged that SFI members had tried to create trouble to defer the election as they were losing ground in the college.

During the clash at Panihati on Tuesday. II SNS

Blame it on Buddha!

KOLKATA, 24 NOV: Miss Mamata Banerjee Trinamul Congress chief, alleged that police "atrocities" on her party's district leadership and students were carried out at the instruction of the chief minister, referring to the incident of the Panihati College clash.

She alleged that today Trinamul Chhatra Parishad students were not allowed to file nomination at Panihati College and police were mere spectators when the CPI-M backed hooligans attacked her party's student wing supporters. Later, she had sent the Leader of the Opposition Mr Partha Chatterjee and district observer Mr Jyotipriya Mullick to Panihati to tackle the situation. II SNS

LEADER OF THE OPPOSITION

Date 9th November, 2009

Shri Gopal Krishna Gandhi
His Excellency
Hon'ble Governor of West Bengal
Raj Bhawan, Kolkata - 700 062

Respected Sir,

We invite your kind attention into the ongoing lawlessness prevailing at our State. Situation is getting bad to worse day by day. While our Party under the leadership of Ms. Mamata Banerjee, Hon'ble Union Railway Minister have urge upon our party cadres, supporters, sympathizers, not to get into the trouble created by CPI(M) but remain calm and quite and be with the distressed people of our State.

In spite of our repeated urging by our leader we observe that State Sponsored Terrorism is getting accelerated just to create fear and insecurity among the democratic loving people of West Bengal.

Today we have received report that our Party MP Shri Subhendu Adhikary from Tamluk was injured after the attacked by CPI(M) goons when he was leading a peace procession as a part of party's declared programme from Ranichak to Haldia. Apart from Shri Adhikary 15 Trinamool workers were badly injured, 6 of them who were seriously injured were taken to hospital where they were fighting for their lives. In an another incident two CPI(M) cadres were arrested for carrying armed license fire arms, crude bombs and ganga. The CPI(M) cadres were stopped while carrying those arms in a Maruti 800 and proceedings from Maheshbathan to Rajarhat. The front and rear were defaced so that police would not be able to identify the owner of the car. Immediately after this incident the Trinamool Congress leaders arrived near the place of occurrence and were taken to nearest Bidhan Nagar Police Station.

To our utter surprise out of the 5 persons 3 persons were missing at the time of reporting to the local police station. The Trinamool leaders demanded that illegal arms should be seized throughout the district to stop bloodshed. They have also put on record their strong protest against the reign of violence created by CPI(M) harmads.

Sir, the time has come when the people of West Bengal is looking at you to save their lives and properties and protect the democratic values.

We once again urge upon you to recover illegal arms and modern ammunition under the control of CPI(M) in various district of states and bring back normalcy so that developmental works can progress of the state do not suffer as the citizens of our state live peacefully.

We demand that Central Army be deployed to recover the illegal arms without further delay as the entire people of Bengal do not have faith and trust in the police administration. The CPI(M) also not allowing the officers of police cadres to remain neutral and to protect the lives and properties of our people.

We solicit your kind intervention and deploy Army to recover the illegal arms and modern ammunitions from the control of the CPI(M) goons.

Respected Sir,

We refer to our earlier letter of correspondences cited on 9th June 2009, 29th July 2009 and 15th August 2008. Our grave concern regarding ongoing lawlessness prevailing in our State immediately after the declaration of results of 15th Parliamentary Election 2009.

Sir, in those letters we have sought your kind intervention for restoring democratic values and save the lives and properties of the people of West Bengal. Not only that, we have also expressed before you our grave concern but also have narrated that the STATE SPONSORED TERRORISM STEPPED UP to create fear and insecurity among the minds of people in our State.

Sir, situation is getting bad to worse during the last 7 days when we have lost 7 workers of AITC in the district of South 24 Parganas, North 24 Parganas, Bankura and West Midnapore. In all the mentioned districts the armed CPI(M) goons with the active support of a section of the police and also by silencing the administration have killed our workers, demolishes the dwell houses by setting fires, injuring several number of workers and force them to leave their villages.

Sir, I have the privilege to keep you informed about the incidences that took place in Mandir Bazar, South 24 Parganas where our Party leader SHYAMAL HAZARI was killed by the CPI(M) goons. Similar incident also occurred when it is alleged that a large number of CPI(M) cadres with arms and sophisticated weapons attacked the houses of JALADBARAN KAR and ASHISH KAR of Bamundia, Belpahari, West Midnapore and have killed them. In Indus, in the district of Bankura our Party worker AJIT DAS was killed by the CPI(M) harams. In other two incidents one at Sashan, North 24 Parganas and other one at Lakshmikantapur, SK. NURUL MOLLHA and BINOY TARAFDAR were brutally murdered at the hands of CPI(M) goons. All the incidents being reported to your kindself.

Sir, in fact the entire State of West Bengal is in the grip of unprecedented red terrorism created by CPI (M). **THE STATE SPONSORED TERRORISM** has reached an alarming situation. The affected people are the poor villagers, minority community and SC/ST/OBC who are feeling victims of the barbaric acts of the Harmads and CPI (M) goons as because their community extended active support for the electoral victory of the AITC and the opposition front led by Ms. Mamata Banerjee.

The CPI (M) aided and abetted by a section of Police - local administration nexus is desperately looking to create a situation of horror and panic.

Sir, the intention of the CPI (M) leaders along with its goons, therefore, is crystal clear. They are revengeful and trying to use muscle power, money power, in active connivance with a section of police, to serve their vested interests and to terrorize the electorate who have shown their no confidence and loss of faith in the CPI(M) ruled Government.

Judging by the nature of present impasse at the State and the deterioration of law and order where governance is completely missing and hardly there any existence of rule of law in the entire State of West Bengal, we urge upon your office to initiate appropriate steps so that the democracy could be saved in our State.

Sir, the time has come when the people of West Bengal looking at you for seeking explanation from the State Government under Sec. 355 of the Constitution failing which the question of imposing Sec. 356 also to be considered which are available under the Constitution of India.

Sir, we are democratic loving citizens and do not think of anything which our Constitution do not permit. But the State Government defying the verdict of the people and remain in power unethically, by using their muscle and money power and using a section of Police they have created reign of terror to capture political supremacy undemocratically. The present bloodshed of opposition people is the glaring example of their misdeeds.

Sir, there is no sign of improvement, the other things are getting deterioration from bad to worse in our State. Today's incidents at various Villages of Nanur in the district of Birbhum are the glaring example of our allegation.

Sir, today early in the morning 200 hundred of armed cadres of CPI(M) have attacked the workers of AITC and innocent villagers. Atleast 30 AITC workers along with few villagers have been heavily injured and mercilessly beaten at the hands of CPI(M) goons, 5 AITC workers having bullet injuries taken to nearby health centre hospitals. While I am asking your kind interventions the armed cadres of CPI (M) continued their attack at Basarpara, Tupsura, Talandi, Dhanyapara, Santra (West), Brahman Khanda, Sekherpara, all these villages are situated at Nanur in the district of Birbhum. The attempt of the 4 CPI (M) armed cadres is to create reign of terror and violence so that the innocent villagers and AITC workers are compelled to leave the villages there by the CPI(M) armed force could be able to establish their political supremacy.

We would be grateful if you kindly have an word with the State administration to stop this blood shed and take necessary steps to recover the illegal arms and ammunition under the control of CPI(M) goons.

In another incident under the Ondal PS, Shri Brihaspad Chowhan, an old man was killed at the hands of the CPI(M), the reason being of such killing was that the sons of the diseased are the active cadres of the Trinamool Congress. On 27th October in the evening when Shri Chowhan was playing cards he was attacked by the armed CPI(M) cadres with stick and iron rod at about 9-30 in the night and his entire house was ransacked all the belongings of the Chowhan's family and mercilessly beaten Smt. Chowhan. On 28th October 2009 early in the morning he was taken to private nursing home at Raniganj where he died.

Further details on Nanur incident are still awaited and I will update you once the latest situation including casualty, including loss of life, injuries and extent of house damages of our workers is available with us. We once agains request you to intervene into the matter.

Respected Sir,

Further to our earlier deputation on 9th June 2009, we would like to invite your kind attention that since then instead of restoring normalcy the situation further deteriorated.

The State Sponsor Terrorism further stepped up to create fear of insecurity among the minds of the people of vast area of the State.

We have observed that with the clear backing of a section of Police / Local Administration and also police being remained silent spectator, the areas of Canning, 24 Parganas (South) and vast areas of Burdwan have been subjected to constant bombing, firing, intimidation by the CPI(M) Harnad's.

In Canning, two of our TMC workers, Rafique Saddar and Hanan Molla of Khas Kumari Khali, 1 no. Block, Taldi Village, 24 Parganas (South) were brutally killed by the CPI(M) goons on 27th July 2009. Again today, (29.07.2009), Daulat Gharami of Canning, Village - North Redu Khali has been admitted to National Medical College, Kolkata after sustain bullet injury at the hands of CPI(M) goons.

In an another incident, Mollah Samdur Rahaman alias Mantu Master, a teacher & worker of our TMC and Sk. Zulfikar Ali were also brutally killed by CPI(M) goons at Burdwan, 1 no. Block (North). P.S. Burdwan & 5 other having seriously injured by the CPI(M) goons have been admitted to Burdwan Medical College & Hospital.

Sir, in fact the entire State of West Bengal is in the grip of unprecedented red terrorism created by CPI(M). The State Sponsored Terrorism has reached an alarming situation. Respected Sir,

Kindly recall my telephonic information to you on 23.03.2009 regarding incident in Raina where C.P.I.M. attacked on villagers at a Village in Raina under Burdwan Purba (S.C.) Parliament Constituency and subsequent police atrocities on women villagers. Furthermore, it is stated that supporters of T.M.C. along with innocent villagers were mercilessly beaten by C.P.I.M. goons. Inspite of our repeated requests to administration to bring back normalcy and arrest the culprits but administration did not respond to it at all levels.

Under such circumstances, having no other alternative I was compelled to bring to your kind intervention for immediate action so that normalcy can be restored at Raina.

Respected Sir,

We are once again approached your kind-self by inviting your intervention to the incident which has occurred at Kheduran, Mongalkot, Burdwan, where our TMYC leaders & workers were beaten mercilessly at the hands of section of police and armed persons (without uniforms) of CPI(M) goons.

Sir, in the past we have expressed our grievances that there is hardly any rule of law & peaceful citizens of our state are subject to reign of terror which have been creating by the CPI(M) goons.

Sir, the entire State of West Bengal is in the grip of unprecedented red-terrorism. The State Sponsored Terrorism has reached such an alarming situation that we are under the leadership of Miss Mamata Banerjee have kept you abreast of the updates which is declining from bad to worse. The affected people are the workers of AITC, INC and men, women, children of the villages who are felling victims of the barbaric acts of the Harmad's and CPI(M) goons.

Now AITC has emerged victorious firstly, in the 15th Parliamentary Election 2009, followed by Municipal Election 2009, the CPI(M) leaders and cadres gone totally nervous and resorting to blood hounding of the AITC and other members of Front. The State Sponsor Terrorism further stepped up to create fear of insecurity among the minds of the people of the State.

Sir, our leader Miss. Mamata Banerjee after massive win in the 15th Parliamentary Election, 2009 has said time without numbers that our struggle for people will be through the path on non-violence. She was made it amply clear that our worker / supporters should follow the path of non-violence for the development of our State and maintain peace by remaining with the people.

The CPI(M) police have been exploiting the totally chaotic conditions in the Police Station Malkhanas to assist the marauding CPI(M) cadres to terrorize the opposition and even the common villagers. The Police unlawfully open the Malkhanas for the CPI(M) cadres so that they can take away and use the weapons of their choice during operations to terrorize the people. There is hardly any regular or surprise inspection of the Malkhanas by the authorized officials.

On contrary, Sir, CPI(M) having faced the recent poll debacle is indulging State Sponsored Terrorism, creating reign of terror with an ulterior motive to reestablish the political power through barrel of gun.

We have demanded that the illegal arms and ammunition to be seized immediately by assigning Central Agency, and the persons who would be found guilty of having illegal arms at his/her position be given exemplarory punishment. But the State Govt. knowing fully that CPI(M) party and its Cadres would be in trouble are showing reluctance to approach the Union Government to take up this burning issues.

Sir, on-date (08-08-09) as per programme declared in public by Sri Suvendu Adhikar, the President of West Bengal Youth Trinamool Congress & M.P., the supporters & workers of TMC were assembled near the Kheduren, Mongalkot, Burdwan. They were suppose to provide relief materials to the victims.

The State Govt. without any reason and with an ulterior motive had imposed 144 Cr. Pc so that the leaders of TMYC could not visit the villages where people affected due CPI(M)'s violence.

Sir, in the recent past Sri Sudip Banerjee, M.P., Sri Mukul Roy, MOS, Govt. of India and Sri Partha Chatterjee, Leader of the Opposition, WBLA were also prevented by armed CPI(M) Cadres. The Police remained passive on looker in all the occasions.

In view of the proclamation of 144 Cr.Pc, our leader Miss Mamata Banerjee, Union Railway Minister had issued statement and also in the television interview that our workers would not break 144 Crpc and hold meeting outside the areas of 144. She had also said that the meeting would be peaceful.

Sir, with our utter dismay, the police in their clothes, and dozen armed people without uniforms (with Black Ganzi, wearing longi etc.) had stopped the rally of TMYC at a distance of approximately 3-4 K.M. from 144 areas of Mongalkot.

Sri Suvendu Adhikary, M.P., Sri Swapan Debnath, MLA, Sri Madan Mitra, MLA, Sri Sanjay Bakshi, Ex-MLA, Sri Atin Ghosh, Councillor, KMC had appealed to the workers to remain peaceful and not to be provoked by the police on CPI(M).

Immediately, after the appeal a section of Police and the gun trotting Cadres of the CPI(M) in plain clothes unleashed the reign of terror at the meeting place at Kheduran, Mongalkot, Burdwan. Our countless worker were mercilessly beaten at the hands of the police and armed persons without police uniforms. Even they went up to the dais where TMYC leaders were standing and brutally beaten them. The barbaric act of the police and few armed persons in plain clothes were not stop there. The armed person (with black ganzi) dragging our leader by holding his ear and beaten him with his stick. We have every reasons to believe that the armed persons must be the Cadres of CPI(M). While in one hand the police without any provocation started "lathi" charge, used tear gas on the other hand it is alleged that CPI(M) Cadres resorted to gun fire from the by party office.

It is the mob which out of anger allegedly set fire on jeeps. Our workers were no-way connected with this incident. But to blame TMC, the police had arrested 22 workers of TMC and put them under bar on false cases.

Sir, we have appraised your kind-self time and again that the State Administration on the advice of CPI(M) bosses have been undemocratically, unethically and with a motive to create fear and to pave the way of CPI(M) to reestablish its supremacy through muscle & money power, registering false cases against the leaders of TMC, INC and the victims. It is a matter of surprise that "VICTIMS" are seen by the police as 'Accused' to satisfy Writers' Building and Allimuddin bosses.

On the contrary, when TMC filed cases against CPI(M) goons indulging in violence, no action whatsoever was taken by the Police though the charges made against them were grave.

Sir, your kind self being the Constitutional Head of the State, we urge upon you to take appropriate Constitutional measures to ensure safety & security of the people of our State.

Sir, we repose full confidence that the matter would be looked into immediately, please.

With kind regards,

Respected Sir,

We invite your kind attention to the ongoing Hunger Strike at the Alipore Central Jail taken up by the workers of the Trinamool Congress who have been falsely implicated by the CPI(M) and administration immediately after the Panchayat Elections since 10th November, 2008. On the advice of Ms. Mamata Banerjee, M.P. & Chairperson of All India Trinamool Congress, the undersigned visited the Alipore Central Jail to ascertain the reasons for their indefinite hunger strike. I was told by the strikers in presence of the Superintendent of the Jail that no opportunity was given to them to defend themselves against the false charges framed against them and they have been forced by the administration and on the advice of the CPI(M) to remain under the bar under NDPS Act. Some of the strikers are even in the jail custody for more than a year by misusing the NDPS Act to demoralize the opposition in their locality. We are receiving similar reports from our party quarters that the provisions of the NDPS Act are being misused to demoralize the supporters and workers of the All India Trinamool Congress so that the democratic movement under our leader Ms. Mamata Banerjee could be toned down.

Under such circumstances, we urge upon your kindness to kindly intervene and to advise the Government not to use NDPS Act wrongfully and with an ulterior motive to demoralize the voice of the opposition.

We also solicit your kind intervention for ongoing hunger strike taken up by the political workers (AITC) without trial of the Alipore Central Jail.

With kindest regards,

Sincerely yours,

Sub : Allegation of brutalities and terrorism by CPI(M) cadres and Local Police at Nandigram, Sonachura, Bhangabera, Khejuri and alleged complaint against Sri Debashish Chakraborty, Officer-in-charge, Nandigram of East Medinipur.

Respected Sir,

I have already apprised you of the recent i.e. 20th July, carnage perpetrated by the CPI (M) regime at Khejuri, Sonachura and Bhangabera of East Medinipur aided and abetted by the Local Police force. In fact, the armed CPI (M) cadres had again turned Nandigram and Khejuri, into a hotbed of criminal activities. There was widespread and continuous attack by the CPI(M)- Local Police nexus. Several innocent people were injured as a result of lathi-charge on the innocent villagers.

The unprovoked goondaism by the CPI (M) cadres and the total inactivity of the District Police has compelled Trinamool Leadership, to call for a prolonged struggle against the police and the administration. The situation there has been extremely tense. In different areas of Nandigram and Khejuri the CPI(M) resorted to indiscriminate firing and bombing. Many innocent villagers were abducted and taken to Khejuri. Those, who were seriously injured, have been removed to Nandigram Hospital.

The CPI (M) is desperate for occupying the Nandigram Blocks and other places where they have been wiped out, and is taking every criminal methods to do the same.

The Villagers have also alleged that the notorious Officer-in-Charge of Nandigram Sri Debashish Chakraborty is inciting the CPI(M) for resorting to a fresh spell of violence against the villagers. On last Sunday, under the direction of Sri Debashish Chakraborty, there was a large-scale lathi. Charge at Bhangabera, where at-least fifty villagers' were badly injured. It is alleged that on Saturday, after a meeting between the CPIM) leaders and the Officer-in Charge, there were widespread firing, bombing at Sonachura, Gokulnagar, Satengabari, and adjoining areas, naturally the villagers were panic stricken.

Apart from the brutalities of the CPI(M) as stated above, the villain of peace was undoubtedly, Sri Debashish Chakraborty, Officer - in Charge of Nandigram.

Sir, tomorrow the 21st of July is a very sad and sentimental day for all of us, The day is observed as a "Martyrs' day and this year our party will also observe it simultaneously as "SAVE DEMOCRACY DAY". To prevent large scale presence of villagers in the 21st July mega -gathering, the CPIM) and the police are creating situation of panic to shatter their nerves, to disable them to attend the great meet for a noble cause.

In the mean time I have already kept posted the Director General of West Bengal Police and Home Secretary of Government of West Bengal of the above incident.

Sir, we solicit your early intervention please.

Respected Sir,

We refer to our earlier letter of correspondences cited on 9th June 2009, 29th July 2009 and 15th August 2008. Our grave concern regarding ongoing lawlessness prevailing in our State immediately after the declaration of results of 15th Parliamentary Election 2009.

Sir, in those letters we have sought your kind intervention for restoring democratic values and save the lives and properties of the people of West Bengal. Not only that, we have also expressed before you our grave concern but also have narrated that the **STATE SPONSORED TERRORISM STEPPED UP** to create fear and insecurity among the minds of people in our State.

Sir, situation is getting bad to worse during the last 7 days when we have lost 7 workers of AITC in the district of South 24 Parganas, North 24 Parganas, Bankura and West Midnapore. In all the mentioned districts the armed CPI(M) goons with the active support of a section of the police and also by silencing the administration have killed our workers, demolishes the dwell houses by setting fires, injuring several number of workers and force them to leave their villages.

Sir, I have the privilege to keep you informed about the incidences that took place in Mandir Bazar, South 24 Parganas where our Party leader **SHYAMAL HAZARI** was killed by the CPI(M) goons. Similar incident also occurred when it is alleged that a large number of CPI(M) cadres with arms and sophisticated weapons attacked the houses of **JALADBARAN KAR** and **ASHISH KAR** of Bamundia, Belpahari, West Midnapore and have killed them. In Indus, in the district of Bankura our Party worker **AJIT DAS** was killed by the CPI(M) harmads. In other two incidents one at Sashan, North 24 Parganas and other one at Lakshmikantapur, **SK. NURUL MOLLHA** and **BINOY TARAFDAR** were brutally murdered at the hands of CPI(M) goons. All the incidents being reported to your kindself.

Sir, in fact the entire State of West Bengal is in the grip of unprecedented red terrorism created by CPI (M). **THE STATE SPONSORED TERRORISM** has reached an alarming situation. The affected people are the poor villagers, minority community and SC/ST/OBC who are feeling victims of the barbaric acts of the Harmads and CPI (M) goons as because their community extended active support for the electoral victory of the AITC and the opposition front led by Ms. Mamata Banerjee.

The CPI (M) aided and abetted by a section of Police - local administration nexus is desperately looking to create a situation of horror and panic.

Sir, the intention of the CPI (M) leaders along with its goons, therefore, is crystal clear. They are revengeful and trying to use muscle power, money power, in active connivance with a section of police, to serve their vested interests and to terrorize the electorate who have shown their no confidence and loss of faith in the CPI(M) ruled Government.

Judging by the nature of present impasse at the State and the deterioration of law and order where governance is completely missing and hardly there any existence of rule of law in the entire State of West Bengal, we urge upon your office to initiate appropriate steps so that the democracy could be saved in our State.

Sir, the time has come when the people of West Bengal looking at you for seeking explanation from the State Government under Sec. 355 of the Constitution failing which the question of imposing Sec. 356 also to be considered which are available under the Constitution of India.

Sir, we are democratic loving citizens and do not think of anything which our Constitution do not permit. But the State Government defying the verdict of the people and remain in power unethically, by using their muscle and money power and using a section of Police they have created reign of terror to capture political supremacy undemocratically. The present bloodshed of opposition people is the glaring example of their misdeeds.

Under the circumstances we once appeal to your kindself to recover the illegal arms and modern ammunicions under the control of the CPI(M) in various districts of the State and bring back normalcy so that developmental work and progress of the State do not suffer and the citizens of our State can live peacefully.

While writing this letter we have observed in the Television Channel that the CPI(M) armed workers attacked our workers and beaten them mercilessly. Few of our workers got the bullet injuries at Goaltor, Dist. Paschim Medinipur. We have requested the Party leaders of the districts to submit a detailed report.

Respected Sir,

We would like to invite your kind attention to the reported news as it appears in the media on date regarding posting of Sri A.K. Proshad as Superintendent of Police (SP), East Medinipur by replacing Sri S.S. Panda.

We are rather sterner and shocked to note the above decision of the Government. The reasons as cited by the IG (Law and Order), West Bengal Police neither based on facts nor logical in-regard to the posting of Sri Proshad.

We have reasons to believe that the posting of Sri Proshad has been made with an ulterior motive to satisfy the CPI(M) bosses at Writers' Buildings. We are shocked not only for his posting at East Medinipur as SP rather surprised to see that how come the Government over rule the serious allegations lodged by Sri K.P Singh Deo, the President of AITC, Purulia District against Sri A.K. Proshad, the then SP of Purulia District. Subsequently the allegation against Sri Proshad was also raised by me during Question Hour on the floor of the August Assembly. The Home Minister & Chief Minister of West Bengal in his reply had suggested to forward the allegation of Sri K.P. Singh Deo along with my letter which was duly forwarded to the C.M, WB on 09-07-08.

The terrorism has been continuing unabated after the recent Panchayet poll debacle the CPI(M) Cadres are revengeful and have resorted to large scale re-terror, intimidating and all sorts of criminal activities at Nandigram. Sir, on going State Sponsored Terrorism through CPI(M) Cadreraj and active role of the local police which has surfaced is nothing but State Sponsored Terrorism and fascist raj at Nandigram & Khejuri.

Series of complain have been also lodged with the office of DG, West Bengal Police and Home Secretary, WB by Sri Deo. Sri Sing Deo had also kept your kind-self posted above the serious allegation as passive on looker on Crimes and robberies, arrogant behaviour mal functioning of administration, by Sri A.K. Proshad as SP, Purulia.

Apart from above allegations, we have definite information that Sri A.K. Proshad considered to be a chief organizer who is responsible for tapping of phones of the important opposition political leaders and have been illegally collecting data above the movement of democratic political personalities through use of e-mail and other technological methods.

Such a black-spotted officer at the helm of Police Administration at East Medinipur would certainly demoralize the people of the district and not to speak of Nandigram, Khejuri.

Sir, I was also having bad experience during my visit to his office at Purulia. As SP of Purulia Sri Proshad was not at all effective which further attributed to the worsening law and order situation, crime, violence, bank robberies in that District. Perhaps based on the complains lodged by various persons of Purulia District the Government considered that it would be deemed fit and proper to transfer Sri A.K Proshad from the post of SP, Purulia to Special Super, Enforcement Branch.

To my utter dismay, it is observed that such an ineffective, partisan person has been appointed as SP of East Medinipur to bring back trust and confidence of the people of Nandigram, Khejuri which has been badly suffered due to State Sponsor Terrorism during last 2 years.

Sir, the posting of Sri A.K. Proshad as SP, East Medinipur would proof our apprehension that CPI(M) wants to control the people of Nandigram, Khejuri from the **barrel of gun** rather than respect the recent verdict of the people in the just concluded 3-tier Election of Panchayet wher the CPI(M) candidates were uprooted by the people of the District through ballot and vested the power to the AITC nominees.

During our representation with your kind-self we have communicated about the grave concern as expressed by our leader Miss Mamata Banerjee, MP, Chairperson AITC. In fact, we have submitted a memorandum to your kind-self on 14-08-08 wherein we have suggested six points agenda to bring back normalcy and re-building of Nandigram, Khejuri and along with the other parts of East Medinipur

The State Government by making this appointment further destroy the confidence of the people.

I am at a loss to understand as to what compels the government for not to deploy CRPF at Nandigram, Khejuri till the normalcy is restored.

The question compensation package yet to be paid as also impartial enquiry into the recent incidences and also punative action against the culprits of 14th March mass killings are yet to came.

While government as it appears keen to bail our CPI(M) by posting a loyal officers to the CPI(M) bosses but kept its silence on the time and again appeal for transfer of Sri Debasish Chakroborty, officer-in-charge, Nandigram who has lost trust and credibility of the entire people of Nandigram and Khejuri for his unwanted activities and helping the armed forces of CPI(M) to entry to Nandigram for indulging violence and terror.

I solicit your immediate intervention, please.

Sub: Unprecedented & unprovoked nightlong firing by armed CPI (M) goons, immediately after end of meeting of Ms. Mamata Banerjee, Hon'ble M.P. & others at Nandigram on 24th April, 2008.

Respected Sir

The State sponsored terrorism has reached such an alarming situation, that I am bound to keep your kind self abreast of the updates, which is declining from bad to worse. The affected people are the men, women, children of the villages who are felling victims of the barbaric acts of the Harnad 's and the CPI (M) goons

Immediately after the meeting of Ms. Mamata Banerjee's meeting at Gokulnagar was over, the gun-trotting cadres of the CPI (M), aided & abetted by the local Police force unleashed a reign of terror at Gokulnagar. A CPM rally taken out in the area on Thursday evening sparked the violence. The rallyists were armed, which alarmed the villagers.

It has been reported that the CPI (M) men entered Gokulnagar and ransacked homes of the villagers, which created tension in the area. Taking advantage of this, CPI (M) men started firing and hurling bombs. The situation was so panicky that TMC leaders, Swadesh Das, Nabadwip Das Adhikari have to flee from their houses. The TMC leader from Khejuri also shared the same view.

In the extremities of Khejuri adjoining the TALPATI canal, and the area bordering Nandigram & Khejuri there was criminal intimidation, abduction and outrage of modesty of the women.

Sir, the situation being such, I would once gain request you to take recourse to appropriate Constitutional articles, which envisages rule of law. Otherwise, the 3-tier Panchayat Election would be farce on the democracy.

Respected Sir,

We are regularly keeping you abreast of the latest developments of the reign of terror throughout West Bengal in connection with the 3-tier Panchayat Election, 2008, especially the extremely sensitive areas of Nandigram and the adjoining areas. Our letter dt. 17th and 25th April, 2008 is very much relevant to the context.

In fact, considering the grave situation, Miss Mamata Banerjee, Hon'ble M.P and other front ranking leaders of TMC, submitted a memorandum on 28th April, 2008, and our Leader Miss Mamata Banerjee, explained before His Excellency, the brutalities unleashed by the CPI(M) goon, duly sponsored by the State Government and the Armed Police Force. In-spite of above the violence on the Leaders, Contesting Candidates & Supporters of TMC and innocent villagers is continuing unabated.

It has been reported that in keeping with the Keshpore Plan, the CPI(M) has prepared a Blue Print for capturing by force all the seats of Gram-Sava, & Panchayat Samity in Nandigram. The Motor Bike Brigade of the CPI(M) has been a source of terror to the innocent villagers and are indulging Firing, Looting, Arson in all areas, specifically Sonachura, Gokulnagar, Kalicharanpur, Kendramari and where not!. Even, last Thursday, one TMC Candidate Sri Sadesh Das Adhikary and his brother Sri Bedesh Das Adhikary were brutally attacked and are lying seriously injured in SSKM Hospital, Kolkata.

The report also states, the 500 people have been rendered homeless, 31 persons have seriously injured, 10 houses have badly damaged and Rs2 laks worth of Articles have been looted. All above acts have been done by the CPI(M) cadres duly aided and abetted by the Local Administrations.

Recently in a All Party meeting in which SP, DM, SDO, BDO of East Mednipur were present, demand was raised for Safety and Security of TMC Candidates & Supporters for Panchayat Elections, 2008 by AITC Leaders.

I have also recently visited the District of Coochbihar to foresee the Law & Order situation in various villages in the said District. It was astonishing to note that 31 TMC supports including 3 contesting Candidates of Gram Sabha and one contesting Candidate of Panchayat Samity were arrested by the local Police on false charges, also including Sri Rabindranath Ghosh, District President TMC with non-bail-able warrant, so that Sri Ghosh is prevented from campaigning for the Party Candidates.

It was an horror to find that, mail villagers have been forced to quit the villages, as the local Police in-conivance with the CPI(M) goons have threatened that unless they leave the villages, their family would be tortured intimidated and may be even raped. The entire issue was brought to the notice of the SP and State Election Commission but no action has been taken till writing of this letter.

On the contrary, when TMC filed cases against CPI(M)s leaders indulging in violence at Nakatigachi under Tufangunge Police Station, no action whatsoever was taken by the Police though the Charges made against them were grave. It is obvious, that the District Administration with the Local Police are creating favourable position for CPI(M) in the ensuing Panchayat Election, 2008.

It is a matter of great concern that the State and District Administration have turned down our legitimate demand and expressed their helpless ness in providing any security even to the Nandigram, Coochbihar and other villagers of the State.

In view of the situations cited above, we again request you to protect the villagers of Nandigram, Coochbihar as well as others part of the State during Panchayat Elections, 2008 from the atrocities of the CPI(M) goons.

Sir, your kind self being the Constitutional Head of the State, we urge upon you to take appropriate Constitutional measures to ensure that the voters of the State can exercise the voting rights without any intimidation from the CPI(M) Cadres and Harmads.

Sir, we repose full confidence that the matter would be looked into immediately.

Sub: Hunger - Strike by the Students of the Medical College, Kolkata.

Respected Sir,

I want to draw your kind attention to the very critical situation prevailing in the Medical College, Kolkata, where the students of the Medical College Democratic Students Association (MCDSA) who are on hunger strike in support of their demands have stepped up the pressure on the authorities by resorting to Indefinite Relay Hunger Strike, considering the arrogant attitude of the authorities.

It has been reported by the Spokesperson of the Association, that the State Government as well as the College authorities are indifferent to their demands and are in no mood to accede to the **just demands** of the students, who have been thwarting the move of the authorities to illegally accommodate 14 students to the already full Hostel, where the Striking students are staying, instead of putting them up in other vacant Hostels

On being advised by Miss Mamata Banerjee, Chairperson, AITC, MP, the undersigned visited the Medical College Hospital on date. Miss Banerjee has expressed her deep concern for the deteriorating health condition of the students, who are on Indefinite Hunger Strike.

The conditions of the students as reported is sinking, but it is extremely painful to see that even the minimum medical care could not be imparted to the striking students, by the authorities. Even, Blood and other Tests necessary has to be done from outside Diagnostics. The passed-out doctor, being carried out by fellow feelings are trying to help the striking students.

Situation being very grave, I also wanted to speak with the Vice-Chancellor, but it was intimated from the office of the Vc, that the Vice-Chancellor is out of station for seven days, and hence immediate solution to the problem is remote..

Sir, your kind self is aware that the concerned Department of the State Govt. and the College authorities being fully aware of the issue is sitting tight.

In view of the above perspective, Sir, I would request your kind self to intervene in the instant grave situation and to take immediate necessary steps, please.

with regards

Sincerely Yours,

(PARTHA CHATTERJEE)

OUR DEMANDS TO THE ADMINISTRATION

The biased boardership list should be immediately cancelled and the whole thing should be reconsidered with transparency in the college council meeting.

In this meeting, our following demands should be taken into consideration:

1. The boardership of 14 valid boarders of main hostel should not be cancelled.
2. The 11 vacant seats of Dr. NORMAN BETHUNE HOSTEL should be reallocated.
3. The false allegations and cases against the 4 students should be withdrawn.
4. Hostel evacuation order should be immediately withdrawn on the basis of peaceful solution.

PRESS BRIEF

We, the boarders of MAIN HOSTEL have long been subjected to the biased attitude from the administration and atrocities of the SFI hooligans. On 23.05.08, due to vandalism by SFI hooligans, 4 Main hostelites' were injured of whom, PRIYABRATA SHIT had to be admitted with head injury. The peace and tranquility of our college campus has been hampered due to the hooliganism of SFI supporters and the biased attitude of the CPM backed administration. Infact, all the development work of the college to AIIMS status has been halted due to undue interference by CPM. The college administration has been in the news for all the wrong reasons(Read corruption). So our movement is not only for the fulfillment of our demands, but to preserve a democratic and peaceful environment in the campus and to make way for the development of MEDICAL COLLEGE, KOLKATA.

WHY THIS BOARDERSHIP LIST IS BIASED?

1. According to the notice no MC 3201(attachment 1), the boardership of those 27 SFI supporters will be cancelled if they don't claim their demands within 21 days.
2. According to the decision taken in the college council's meeting on 18th April, a special team came for hostel inspection which emphasized hostel allotment letter/receipt of hostel fees as the sole

criteria for valid boardership. But, hostel allotment letter has been given in only last two years and hostel fees receipt is not such a prized possession that it should be kept carefully. 14 valid boarders were denied their boardership as they failed to show either of these. Our question is why this students are victimized only for loosing their boardership documents when the authority already have the original copy(of hostel fee receipt) and the name of these students entered in the hostel register.

3. The vacant seat list of Dr. NORMAN BETHUNE HOSTEL was initially shown to be 2 which changed to 11 on our protest! Why is the authority is so bend on filling up the seats of MAIN HOSTEL in spite of vacancy in NORMAN BETHUNE hostel.
4. The main hostel constitution clearly state that the counselling for room allotment of new boarders should be done through open counselling conducted by the HOSTEL STUDENT'S ASSOCIATION (whose president is superintendent of the hostel).

ARE WE AGAINST SFI ENTERING MAIN HOSTEL?

MAIN HOSTEL is not the bonafide property of any organization. Many SFI supporters have lived with us peacefully before and will do so afterwards. But the problem is with the biased attitude of the administration and the SFI hooligans.

Sub:- Devastating fire at Writers' Buildings on 7th August, 2008.

Respected Sir,

Today during first hour of morning a devastating fire in the third floor of Block E of Writers' Buildings completely gutted three very important departments i.e. Municipal Affairs, Fire & Emergency Services and Refugee & Rehabilitation.

The Kolkata during the past 2-3 years had witnessed at least six times the major fire which destroyed very important markets of Bura Bazar locality, the main Centre for business and Commercial activities.

Kindly recall we had made representations on each occasion before your kind-self under the leadership of Miss Mamata Banerjee to protect the small businessmen & employees along with enquiry to find out the cases of such fires. But the State Government is yet to come out with their reports.

Sir, in our own wisdom we have reasons to belief that all these acts of devastating fires to various market places and also at various slum areas are as were with an objective to displace the poorest of the poor without proper habilitation or housing for them.

Today's fire at the Writers' Buildings where the centre of power flows to the State, the fire has gutted three very important departments of the State Government shows govt.'s callous attitude to keep records with safe & security for the interest of the people of this State.

To the contrary, the CPI(M) after their recent poll disaster in the 3-tire Panchayet & Municipal Election 2008, started removing the important files, destroying the important documents of Zilla Parishad, Panchayet Samities & Gram Panchayet and Municipalities.

The CPI(M) after losing their controls in the Panchayet & Municipal bodies got nervous and hurriedly decided to hush up the documents for their allied financial irregularities.

Sir, similar things happened at the centre of power i.e. Writers' Buildings. We have reasons to raise this questions that with an ulterior motive the agents of CPI(M) might be behind the such fire at the 3rd floor of Writers' Buildings. All three departments are keeping very important files and documents of public interest to destroy those files through devastating fire is to help those who are allegedly involved in financial corruption.

Under such circumstances, we solicit your kind intervention for an impartial enquiry specially, when the Ministers of the State Government are sharply divided on this issue.

Yours Sincerely,

Sub: Reign of terror unleashed by the CPI (M) Goons after the Panchayat Poll Debacle at various places in West Bengal – specific reports from Suri and Cooch Behar

Respected Sir,

I would like to inform your kindness about the pathetic condition of the TMC workers in West Bengal who have been mercilessly tortured by the CPI (M) goons, specially as last reported in Suri and Nakkatigunje. The matter being very grave in nature in both the above mentioned places, I would like to give a detailed report on the subject, so that your kind-hearted personality may contemplate restoration of Law and order situation immediately as also take stern action against the erring Govt. servants, irrespective of the status/posts they enjoy in service.

At Nakkatigunge, Tufangunge, Coochbehar

Consequent to a very important message received from the President, Cooch Behar District Trinamool Congress Committee, it is being brought to your personal notice that on 11th June, 08, the CPI (M) goons under the leadership of the CPI (M) Local Committee Secretary and other members indiscriminately fired on the Trinamool Congress workers, completely unprovoked. Three persons were critically injured in the firing, of whom one Debabrata Pramanik succumbed to the firing. His dead body was taken to the CPI (M) local office, (possibly for hiding the dead body) wherefrom it was recovered by the Police on constant pressure from the Trinamool Congress workers and supporters. A written complaint was lodged by father of Debabrata Pramanik and on the strength of the complaint, CPI(M) workers were arrested under the "ARMS ACT"

Out of revenge, and on the instance of the Local CPI (M) leadership, 32(Thirty Two) TMC workers were falsely charged for murder, looting and on various other counts as dictated by the CPI(M) machinery at local level, duly aided & abetted by the District Administration and Police.

On 13th June, 2008, Abbu Bakkar Sidiqui, a villager of Deocharai was strangled to death by the CPI (M) cadres, but as usual the Police in order to shield the murderers, completed the Post Mortem in haste and attributed the cause of death as "Heart Attack"!!

On 15th June, 2008 20 (Twenty) supporters of TMC were dragged out of their homes at the dead of night and taken to the Police Station on charges of alleged murder as stated above. Even two students were named in the FIR.

At Suri

To be more specific, the activists of the CPI (M), after brutally murdering Dilip Malo, worker of TMC have not yet been arrested in-spite of repeated appeal to the Police Administration by the local MLA

Similar cases as reported by the TMC MLA & has been intentionally ignored by the Local Police, and till date in-spite of such gruesome murders perpetrated by the CPI(M) cadres not a single arrest have yet been made. On the contrary, Police is taking utmost initiative to harass/Register False cases on orders from the Partisan officials of the District

It is not understood how such bare discrimination is being allowed to continue right before the District Administration and the Police.

The way the Law and order situation is proceeding, it appears that the position may turn worse any moment, and hence I would again request your kindself to prevail upon the Law and Order enforcing departments and the district administration also to administer adequate security to the TMC leaders and workers and to the people of West Bengal in general.

Sir, any delay may aggravate the situation and thus an urgent action is earnestly solicited.

Yours Sincerely,

Sub: An appeal for continuation of CRPF personnel at Nandigram for maintenance of Law & order problem in the area and adjoining.

Respected Sir,

I am writing this letter to you to apprise you of the worsening of the Law and order situation in the trouble-torn areas of Nandigram and its adjoining areas. I have already informed your kind -self of the aforesaid facts.

In fact, after the worst Poll -debacle of CPI (M) in Nandigram (East Midnapur) in the 3-tier Panchayet elections followed by the Municipal Elections, the CPI (M) leaders and the cadres have gone totally nervous and resorting to blood - hounding of the TMC leaders, workers and the sympathisers, but the presence of the CRPF was a stumbling block in their misdeeds.

With the idea of not allowing the elected Panchayat and Municipal representative from doing development work, the CPI (M), aided and abetted by the Local Police-Administration nexus is desperately looking to create a situation of horror and panic, and with tacit support from the Govt. was successful in removing the CRPF from Nandigram. Re-creation of horror by the CPI (M) hoodlums has unnerved the innocent villagers, who were living peacefully under the CRPF regime.

With the clear backing of the Police force, areas like Khandajalpai, Bashulichak, Basantibazar, Nakchirachar, Jadubarichak has been subjected to constant bombing, firing, intimidation by the CPI (M) Harnad's.

Sir, the intention of the CPI (M) leaders along with its workers, therefore is crystal clear. They are revengeful, and trying to use muscle-power in active connivance with the Police , to serve their vested interests and to terrorize the villagers.

Sir, your immediate intervention/orders in the matter is earnestly solicited to save the innocent villagers from the gun-trotting goons of the CPI(M) and for continuation of CRPF personnel till the restoration of confidence on local Administration.

With regards,

Yours faithfully

Respected Sir,

I am writing this letter to you to appraise you of the worsening of Law and order situation in trouble-torn areas of Nandigram and its adjoining areas of Khejuri.

Kindly be noted that in earlier incidence of violence we have also kept you posted, Sir.

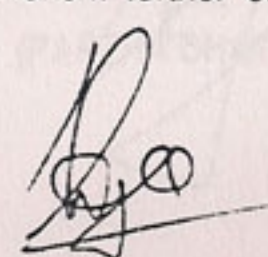

In fact, immediately after the worst poll debacle of CPI (M) in Nandigram and in the whole district of East Medinipur, in the Three-tire Panchayet Elections, 2008, the CPI (M) leaders and cadres gone totally nervous and resorting to blood hounding of the TMC / BUPC leaders and workers including sympathizers but the presence of CRPF was stumbling Block in their misdeeds.

The TMC with the idea of rebuilt Nandigram and start afresh of developmental work, the CPI (M) aided and abetted by the local police-administration nexus is desperately looking to create a situation of horror and panic and with tactic support from the State Govt. was successful in removing the CRPF from Nandigram. Re-creation of horror by the CPI (M) hooligans has unnerved the innocent villagers who were living peacefully under the CRPF regime.

Sir, in our earlier correspondences we have appraised you about the recent incident i.e. from 20th July, 2008 till date carnage perpetrated by the CPI (M) regime at Sonachura, Garu Para, Bhangabera at Nandigram. In fact, besides their information that the CPI (M) goons had again turned Nandigram in to a hotbed of criminal activities, for the last 72 hrs., there was continuous ill acts by the CPI (M) local police-nexus.

Several innocent villagers were injured. There were reported deaths of CPI (M) local leaders in the hands of CPI (M) as they do not subscribe the fresh attack by CPI (M) on the local villagers who have recently voted for TMC during Panchayet Election 2008. Several TMC workers and BUPC leaders were mercilessly beaten by the CPI (M) and were taken to the hospital where they are receiving treatments. Sri Nivas Mondal was beaten severely and was kidnapped by the CPI(M) goons. Latter at about 8-30 p.m., he was found unconscious and was taken to the hospital.

Sir, in spite of repeated complain State sponsor terrorism further stepped up to create fear of insecurity among the minds of Nandigram people.

The villagers have also alleged that the notorious officer-in-charge of Nandigram P.S. Sri Debasish Chakraborty is inciting the CPI (M) for resorting to a fresh spell of violence against the villagers to help the CPI (M) cadres for their despara- attempt to occupy Nandigram and the force Villagers to leave their residence.

Apart from the brutalities of the CPI (M) as stated above, the villain of Peace was undoubtedly Sri Debasish Chakraborty whose removal from the present position will certainly pave the way of restoring peace, harmony and give boost to the morale of the common villages of Nandigram.

We also urge upon you as figure father of our State and also as Constitutional authority, for the deployment of CRPF at Nandigram. The people of Nandigram did not trust and have no confidence in the local police-administration for their alleged nexus with CPI (M) goons.

Under such circumstances, if would be all fairness of things that your kind self may kindly intervene and save us from another bloodshed and also to protect the citizen of Nandigram.

In short, you kind-self may take appropriate immediate action based on our following appeal:-

- 1) Deployment of CRPF at various places of Nandigram. The experience of the people of Nandigram during CRPF regime was good. The situation of Nandigram came to near normal. The fresh incidence of violence & terror have been started after their withdrawal from Nandigram. People of Nandigram have shown their trust & faith on CRPF rather than local police. The local police still require more time to enjoy their trust and support through their actions.
- 2) Sri Debasish Chakraborty may kindly be transferred and an officer of high integrity towards maintaining law and order fearlessly, with an independent mind.
- 3) To bring down incidence of attack from Khejuri side by close supervision under CRPF as the local police lost its credibility and trust.
- 4) To have an impartial enquiry into the recent incidence of terror, killing of people, uncountable numbers of injured villagers of Nandigram.

Sir, we assure you once again our faith and trust on peaceful democratic path and our leader Miss Mamata Banerjee in her life fully believes people's movement on non-violence as shown by our father of the Nation Mahatma M.K. Gandhi.

The newly formed Zilla Parishad, Panchayet Samities and Gram Panchayet yet to start the re-building process of trouble torn Nandigram. Under no circumstances peace could be disturbed. Any developmental work which is much needed should not suffer due to fresh violence and terror.

Looking forward for an early advise, please.

With regards,

Kindly accept my regards

Dear Shri Chatterjee,

I have received your letter of 7 August, 2008 and read it with care. I am acquainting the State Government with your observations, especially with regard to CRPF deployment.

I am deeply concerned about the deteriorations in the law and order situation in Nandigram.

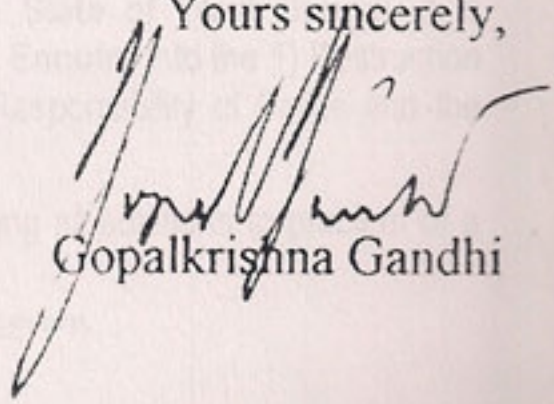

Your observations regarding the peaceful democratic path and the principle of non-violence as shown by the Father of our Nation, and your asking for my advice, encourages me to share the following thoughts with you:

The contents of your letter would have found a logical and important subject for discussion at the all-party meeting which the Hon'ble Chief Minister had convened at Tamluk on 9 August. The meeting gave to the largest opposition party a natural opportunity to express its views and make the suggestions contained in your letter to me. Even if the meeting at Tamluk had not led to a convergence of views, it would have enabled a tabling of the issues mentioned by you effectively and transparently, requiring an equally transparent response. Boycotting meetings does not advance the interests of the subject of the meeting, whatever other purpose it may serve.

You may wish to bear this in mind as and when opportunities for dialogue arise in the future.

With regards,

Yours sincerely,

Gopalkrishna Gandhi

Sub: Last ditch effort made by CPI(M) to save themselves from the people of West Bengal after their inglorious defeat in the Panchayat Elections, 2008 – Tampering and destroying of Panchayat records by CPI(M)

Respected Sir,

Your kind-self is surely aware of the inglorious defeat of the CPI (M) over vast areas in the West Bengal Region, in the recently concluded 3-tier Panchayat Election, 2008. Since the first ever election of the Panchayat Election took place in 1998, the CPI (M) and its armed cadres forcibly won the Panchayat Elections by rigging, and all sorts of dirty tricks not befitting a civilised party

The aim of grabbing the Panchayat by CPI (M) was not at all for decentralization of State run governance to the village level, or to benefit the poor, but to dictate the Panchayat Heads in the 3-tier Panchayat level from the cozy Ministerial chambers in their lavish office., to fulfill their vested interests, through looting money.

Now that in a vast area, Trinamool Congress has emerged victorious in all the tiers of the Panchayat Election, the CPI (M) who has been for the last ten years indulging in all sorts of malpractices, corruption, financial irregularities theft, bribery, favor to their near and dear ones and the party cadres of CPI(M) has become seriously unnerved. As reported in the media, wherever the CPI(M) have lost their Panchayat Seat they have started tampering with the works file and even destroying them. Special mention may be made of the Singur area, (Zilla Parishad won by Trinamool Congress) where all the records have either been destroyed/or in the process of destroying.

Such acts, needs to be immediately investigated by independent Investigation Agency, and Forensic experts (not under the control of the CPI (M) led Govt.) to bring the culprits to book, and to impart exemplary punishment to all those involved in the heinous crime, irrespective of the designation and status they enjoy
Sir, I would like to mention, which your kind-self is well aware off, that even after the Panchayat debacle, the CPI(M) is again resorting to their very patent! Criminality. and recreating horror.

Sir, situation being such, and being the **Constitutional Head of the State of West Bengal**, it is worthwhile requesting your kind-self to kindly intervene in the matter, and order an **Enquiry** into the 1) Destruction & Tampering of files. 2) Financial irregularities 3) Illegal favor 4) Fixation of Responsibility of Police and the District Administration for full failure in preventing Pre and Post Election Clashes.

Sir, I am confident that your magnanimous personality will help in providing all solutions to problem of a State riddled with callous governance.

Yours Sincerely,

Sub:- Reign of terror of CP(M) goons still continuing, in spite of deputation by AITC, Leaders.

Respected Sir,

We are regularly keeping you abreast of the latest developments of the reign of terror throughout West Bengal in connection with the 3-tier Panchayat Election, 2008, especially the extremely sensitive areas of Nandigram and the adjoining areas. Our letter dt. 17th and 25th April, 2008 is very much relevant to the context.

In fact, considering the grave situation, Miss Mamata Banerjee, Hon'ble M.P and other front ranking leaders of TMC, submitted a memorandum on 28th April, 2008, and our Leader Miss Mamata Banerjee, explained before His Excellency, the brutalities unleashed by the CPI(M) goon, duly sponsored by the State Government and the Armed Police Force. In spite of above the violence on the Leaders, Contesting Candidates & Supporters of TMC and innocent villagers is continuing unabated.

It has been reported that in keeping with the Keshpore Plan, the CPI(M) has prepared a Blue Print for capturing by force all the seats of Gram-Sava, & Panchayat Samity in Nandigram. The Motor Bike Brigade of the CPI(M) has been a source of terror to the innocent villagers and are indulging Firing, Looting, Arson in all areas, specifically Sonachura, Gokulnagar, Kalicharanpur, Kendramari and where not!. Even, last Thursday, one TMC Candidate Sri Sadesh Das Adhikary and his brother Sri Bedesh Das Adhikary were brutally attacked and are lying seriously injured in SSKM Hospital, Kolkata.

The report also states, the 500 people have been rendered homeless, 31 persons have seriously injured, 10 houses have badly damaged and Rs2 laks worth of Articles have been looted. All above acts have been done by the CPI(M) cadres duly aided and abetted by the Local Administrations.
